Got a mobile phone?

Then you've got access to your accounts—anytime, anywhere!

Mobile Banking lets you stay on top of your account activity safely and securely. All you need to get started is Navy Federal Online® Account Access and a mobile device. Here are some of the things you'll be able to do.

Text Commands

You'll have quick and secure access to your account information just by texting your commands to **4NFCU (46328)**. Get the banking information you need, when you need it—wherever you are. Find out when a deposit was credited or view past transactions instantly. Plus much more!

- Check account balances
- Get transaction history for a specific account
- Get your account nicknames
- Get text command codes

Mobile Web

Manage your money from your mobile phone, all while standing in line at the store, waiting at the DMV, or anywhere! Just go to **m.navyfederal.org** for full access to your accounts 24/7. It's secure and easy to use.

- View account activity
- Transfer money between accounts
- Search for a specific transaction
- Find a specific branch or ATM

Apps

Use your smartphone to download our Android™[1] and iPhone®[2] apps. With these, you'll be able to keep track of your transactions, get up-to-the-minute rates, and find our nearest locations. It's the like having a branch in your pocket.

Text Alerts

You can sign up to receive automatic notifications when certain activity occurs on your accounts. These alerts can help prevent you from overdrawing your account or ensure that your bills are paid on time.

You'll be notified when:

- You have a low account balance
- A deposit posts to your account
- A payment is due
- Account information is modified

To sign up for Mobile Banking, log on to Account Access at **navyfederal.org**.
