Navy Federal Debit Card

All checking accounts come with a Navy Federal Debit Card. It's more secure than cash and covered by our Zero Liability policy, so you're protected from unauthorized purchases as long as you report the transaction as soon as you discover it. Plus, you can easily:

- shop at millions of merchants worldwide that accept Visa® Cards
- check account balances, make deposits and loan payments, and transfer funds between free accounts at thousands of ATMs nationwide
- monitor your account/card activity by enabling customizable transaction notifications²
- freeze/unfreeze your temporarily misplaced card

Checking Protection Options

Ensure your transactions are covered by choosing one of the following:

- **Overdraft Savings Transfers**
Overdraft Savings Transfers pays check and ACH overdrafts by transferring money from your linked savings account, as long as funds are available. This service, in combination with other transfers, is limited to six uses per month.
- **Checking Line of Credit (CLOC)⁷**
is a credit-based product, requiring credit approval. The funds needed to cover the overdraft are automatically transferred from your line of credit to your checking account. There's no transaction fee. Generally, credit lines are \$500. Apply for CLOC online at navyfederal.org or by calling 1-888-842-6328.

- **Optional Overdraft Protection Service (OOPS)** allows us to authorize overdraft protection on the types of transactions you've chosen. You must be a member for at least 90 days and opt in for this service to take effect. Opt in at navyfederal.org, by calling 1-888-842-6328 or by visiting a branch.

Here's how it works:

- A \$20 fee will be assessed for each overdraft
- Maximum of three overdraft fees charged per day (if overdrafts exceed three in a day, the account remains open, but no additional fees will be charged)

Just remember—you should bring the account to positive status promptly.⁸ Total overdrafts may not exceed \$500.⁹

24-Hour Digital Banking² Access

Navy Federal digital banking² gives you anytime, anywhere banking at your fingertips. View account balances and verify payments and checks clearing from your checking, savings and loan accounts. You can also:

- transfer funds between accounts
- pay bills with free Bill Pay⁵
- request withdrawals
- request eStatements instead of mailed paper statements

Service Fees

You may incur charges for a returned check due to insufficient funds in your account, a stop-payment request or more than one photocopy of paid checks.

⁷Checking Line of Credit is a credit product, and rates are based on creditworthiness. Repayment terms are 2% of the outstanding balance or \$20, whichever is greater. Generally, credit lines are \$500. Additional amounts may be available to applicants who have certain relationships with us, such as long-term members, Active Duty members and/or members with direct deposit. ⁸The account must be in a positive status for a minimum of one business day to allow the deposited funds to clear. ⁹Optional Overdraft Protection Service (OOPS) pays checks, Point-of-Sale (POS) debit card (Navy Federal Debit Card) transactions, ATM withdrawals and Automated Clearing House (ACH) transactions presented against your checking account when it is overdrawn. OOPS coverage must be repaid promptly. Your account may become overdrawn in excess of the \$500 limit due to fees. Should the account remain overdrawn beyond 30 days of the initial transaction posting, the OOPS will be frozen. The account must have a positive balance for a minimum of one business day to allow the deposited funds to clear and reset the 30-day repayment cycle. Should the account remain overdrawn beyond 45 days, OOPS privileges will be revoked permanently. Members may enroll up to two primary checking accounts in OOPS. Items will be posted in the following order: credits and deposits; branch withdrawals; ATM withdrawals; Navy Federal Debit Card or POS transactions that merchants have presented to us for payment; transfers from one Navy Federal account to another; ACH debits; checks written. When more than one transaction is processed from a group of transactions, the items will be posted in the order of lowest to highest amount within that group of transactions. Navy Federal pays overdrafts at our discretion and reserves the right not to pay. You must be at least 18 years old and a member for a minimum of 90 days for this service to be extended. You must also have no delinquencies or legal orders against your Navy Federal accounts in order to qualify. Members may not have both Checking Line of Credit and OOPS on the same account.

We make it easy for you to get the checking account that best fits your needs.

Close your old checking account and switch to the account of your choice:

You'll receive your Navy Federal starter checks within 10 business days from our receipt of your application. You can also apply online at navyfederal.org, at a local branch or through the mobile* app. The app is available for download from the App Store®, Google Play™ and Amazon.

Identification and Escheatment: Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account, including joint owners and authorized signers. *What this means for you:* When you open an account, we will ask you for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents. It may be necessary for Navy Federal to restrict account access or delay the approval of loans pending further verification.
