Variable Rate Information: Your APR may increase or decrease. Rates are determined and adjusted monthly on the first business day of the month by adding a Margin to the highest U.S. Prime Rate published in the Wall Street Journal on the first day of the previous month. The Margin for the nRewards Secured® credit card will be 16.74%. The Margin for all other credit cards will be based on an evaluation of each Member’s credit history, and will range from 2.74% to 16.74% based on product type.

GO REWARDS Cards: If your application is approved for an account with a credit line of less than $5,000, you will receive a Visa® GO REWARDS or GO REWARDS Mastercard® account. The benefits for Visa GO REWARDS or GO REWARDS Mastercard accounts differ from those for Visa Signature GO REWARDS and GO REWARDS World Mastercard accounts.

Annual Fees: If you are issued a Visa Signature Flagship Rewards Card, you will be billed the annual membership fee. This charge will appear within your first two statements, and annually thereafter.

Late Payment Fee: You will be required to pay a late payment fee of up to $20.00 if you do not pay at least the minimum payment by the payment due date on your statement. Navy Federal may also assess the late payment fee every month thereafter that you are past due.

Other Fee: Returned convenience check fee—$20.00.

Security Interest Specific for Credit Cards: If you are approved for a credit card, you acknowledge and pledge, specifically as a condition of your use of the credit card, that you have voluntarily granted Navy Federal a security interest in all of your individual and joint share accounts at Navy Federal. If your credit card loan becomes delinquent, this security interest may be used without further notice to pay all or part of such delinquency. This security interest does not apply to shares in an Individual Retirement Account (IRA).
Credit Card Q&A

BALANCE TRANSFER

How will a balance transfer affect interest charged on purchases? If you transfer a balance, interest will be charged on purchases made with your credit card unless your purchases have a 0% APR or you pay the entire balance (including any transferred balances) in full each month by the payment due date.

When will interest start to accrue on the balance transferred? Interest will start to accrue the day the balance transfer transaction posts to your account, unless your balance transfer is subject to a promotional APR of 0%. In such case, no interest will accrue on the balance transferred until your 0% APR promotional time period expires.

Will I receive rewards on the balances I transfer? No. Balance transfers are not eligible to earn rewards.

Do I need to make payments during the promotional period? Yes. You must pay at least the minimum payment due by the payment due date. If you do not pay this amount by the payment due date, you may lose your promotional APR.

Can Navy Federal refuse certain balance transfers? Yes. Only balances from other card-issuer accounts are eligible for transfer. New accounts: Balance transfers must be requested within 60 days of account opening. Existing accounts: Balance transfers must be requested at the time of acceptance of the offer.

How much can I transfer? The maximum total transfer amount is limited to your available credit line, but no single balance transfer can be greater than $30,000.

Are there exclusions? Yes. The offer excludes Navy Federal Business cards and Home Equity Line Platinum credit cards. It also excludes balance transfers using convenience checks.

When will the balance transfer post to my account? We may not make the balance transfer request for up to 10 days to allow you time to receive and review the disclosures that come with the new credit card. Please allow up to 14 additional days for your other financial institution to receive payment and process the payment. Existing accounts: A balance transfer is typically posted to your account within 14 days after your transfer request. New and existing accounts: While waiting for the balance transfer to pay off your other account(s), please continue to make payments to your other account(s) in order to avoid any late charges or delinquency.

Is there anything else I should know? Yes. You should be aware that if you transfer your balance from another account, you could lose your right to dispute any of the changes paid off as a result of transferring your balance.
