Auto Rental Collision Damage Waiver

No cardholder wants to incur the expense of repairing or replacing a rented car. But accidents do happen, and vehicles do get stolen. No matter what happens to your rental car, you can be covered with Auto Rental Collision Damage Waiver. Auto Rental Collision Damage Waiver reimburses you for damages caused by theft or collision—up to the actual Cash Value of most rented cars. Auto Rental Collision Damage Waiver covers no other type of loss. For example, in the event of a collision involving your rented vehicle, damage to any other driver’s car or the injury of anyone or anything is not covered. Rental periods of fifteen (15) consecutive days within your country of residence, and thirty-one (31) consecutive days outside it, are both covered. Longer rental periods, however, are not covered.

You are eligible for this benefit if your name is embossed on an eligible card issued to you or your spouse, and you are the primary cardholder. You are eligible for this benefit if your name is embossed on an eligible card issued to you or your spouse, and you are the primary cardholder. You are not covered if:

- your country of residence, and thirty-one (31) consecutive days outside it
- You use it to initiate and complete your entire car rental transaction.
- You are the primary cardholder and any additional drivers permitted by the car rental agreement are covered.
- How Auto Rental Collision Damage Waiver works with other insurance
- Auto Rental Collision Damage Waiver covers theft, damage, loss-of-use charges imposed and substantiated by the auto rental company, administrative fees, and any other charges, due to a covered theft or damage to the nearest qualified repair facility.
- If you have personal automobile insurance or other insurance that covers theft or damage, this benefit reimburses you for the deductible portion of your car insurance or other insurance, along with any unreimbursed portion of administrative and loss-of-use charges imposed by the car rental company, as well as reasonable towing charges that occur while you are responsible for the vehicle.
- If you are renting outside of your country of residence, the coverage provided under this benefit is primary and reimburses you for covered theft, damage, or administrative and loss-of-use charges imposed by the rental company, as well as reasonable towing charges that occur while you are responsible for the vehicle.
- How to use Auto Rental Collision Damage Waiver
- Use your card to initiate and complete your entire car rental transaction.
- Review the auto rental agreement and decline the rental company’s collision damage waiver (CDW/LDM option), or a similar provision, as accepting this coverage will cancel out your benefit. If the rental company insists that you purchase their collision insurance, call the Benefit Administrator at 1-800-348-8472.
- Before you leave the lot, be sure to check the car for any prior damage. This benefit is in effect during the time the rental car is in your possession and terminates when the rental company reassumes control of their vehicle.
- This benefit is available in the United States and most foreign countries (with the exception of Israel, Jamaica, the Republic of Ireland, and Northern Ireland). However, this benefit is not available when precluded by law, or where it is in violation of the territory terms of the auto rental agreement, or when prohibited by individual merchants.
- Because regulations vary outside the United States, check with your auto rental company and the Benefit Administrator before you travel, to be sure that Auto Rental Collision Damage Waiver applies.
- Vehicles not covered
- Certain vehicles are not covered by this benefit. They consist of: expensive, exotic, and antique cars; cargo vans; certain vans; vehicles with an open cargo bed; trucks; motorcycles; mopeds; motorcycles; limousines; and recreational vehicles.
- Examples of expensive or exotic cars are the Alfetta Romeo, Aston Martin, Bentley, Corvette, Ferrari, Jaguar, Lamborghini, Lotus, Maserati, Maybach, McLennan, Porshe, Rolls-Royse, and Tesla. However, selected models of Audi, BMW, Mercedes-Benz, Cadillac, Infiniti, Land Rover, Lexus, and Range Rover are covered.
- An antique car is defined as one that is over twenty (20) years old, or one that has not been manufactured for ten (10) years or more.
- Vans are not covered, but those designed as small-group transportation vehicles (seating up to nine (9) people, including the driver) are covered.
- If you have questions about a specific vehicle’s coverage or organization where you are renting, call the Benefit Administrator at 1-800-348-8472, or call collect outside the United States at 1-804-673-1164.

Cellular Telephone Protection
Cell phones have become an everyday necessity for the average person, which means if Your cell phone is damaged or stolen, getting it repaired or replaced is not optional.

Fortunately, Cellular Telephone Protection is available, which provides coverage for damage to, theft of, or involuntary and accidental parting of Your cell phone. An voluntary and accidental parting is the unintended separation from Your cell phone when its location is known, but recovery is impractical to complete. This benefit is available if You are a valid cardholder of an eligible U.S.-issued card enrolled in the Cellular Telephone Protection benefit and You own or have a monthly cellular wireless phone bill to Your eligible card for the billing cycle before the month in which the incident occurs. Eligible cell phones are the lines listed on Your most recent cellular wireless service provider’s ("cell phone provider") monthly billing statement for the billing cycle prior to when the incident occurred.

What is covered?
This benefit is supplemental coverage, which means that it will reimburse You for theft of, damage to, or involuntary and accidental parting of Your cell phone not otherwise covered by another insurance policy (e.g., cell phone insurance programs, or Your homeowner’s, renter’s, automobile, or employer’s insurance policies).

If You do have personal insurance that covers theft, damage, or involuntary and accidental parting of Your cell phone, this benefit reimburses You for the deductible portion of Your cell phone insurance.

If You do not have personal insurance, the benefit reimburses You for the covered theft, damage, or involuntary and accidental parting of Your cell phone.

Once all other insurance has been exhausted, Cellular Telephone Protection will provide coverage of up to two hundred fifty dollars ($250) per claim with a maximum of two (2) claims and $500 per twelve (12) month period. If it is determined that Your cell phone requires replacement due to the theft of, damage to, or involuntary or accidental parting of the device, You will receive the replacement value subject to the fifty-dollar ($50.00) deductible and the benefit maximum. The replacement value is the lesser of Your cell phone value service provider’s suggested retail value of a similar model replacement cell phone or the actual cost to replace the cell phone.

If Your cell phone is repairable, You will receive an amount as determined by the diagnostic to repair the cell phone subject to the benefit maximum and fifty-dollar ($50.00) deductible.

Note: Electronic issues, such as inability to charge or mechanical or battery failure, where there is no evidence of physical damage, are not covered under this program.

When does it apply?
Cellular Telephone Protection applies when You make Your monthly cellular wireless phone bill payment with Your eligible card. Coverage begins the first day of the calendar month following a payment of the cellular wireless phone bill.

If You fail to make a cellular wireless phone bill payment in a particular month, Your coverage will be suspended. Coverage will resume on the first day of the calendar month after the date of any future cellular wireless phone bill payment made with the eligible card.
