

As a not-for-profit and the premier financial choice for the military community, our responsibility to our members goes beyond banking. Our mission—rooted in service, integrity and community—is to champion and care for those who need it most. Through **Navy Federal Serves**, we're focused on improving the outcomes of communities where we live and serve.

In addition to helping our 13 million members earn and save **\$4.14 billion**<sup>1</sup> in 2023, we're supporting our local communities through volunteerism, philanthropic giving and intentional nonprofit partnerships that align with our values. Take a look at the numbers to see all we accomplished!
