Service Definitions
“Business Day” is every Monday through Friday, excluding Federal Holidays. “Service” refers to Navy Federal Credit Union’s Mobile Deposit Service.

Use of Service
This Service allows you to deposit checks into eligible Navy Federal accounts from a remote location with a compatible mobile device, which then delivers the images and associated deposit information to Navy Federal electronically. You may use this Service only for business purposes in accordance with this Agreement. In order to use this Service, you must obtain and maintain, at your expense, compatible hardware and software. We are not responsible for the functionality or maintenance of any third-party hardware or software you may need to use the Service.

Agreement Acceptance
This Agreement applies to business member checking and savings accounts only. The use of the Service means you agree to all terms and conditions in this Agreement. This Agreement is subject to change from time to time. Navy Federal reserves the right, in its sole discretion, to change, modify, add, or remove portions from this Service. Your continued use of this Service will indicate your acceptance of any such changes to this Service. Please read this Agreement carefully and keep a copy for your records.

Eligibility and Qualification Requirements
To qualify for this Service, you must meet certain eligibility criteria as dictated by us. You may be denied access to this Service for serious account issues, which are determined at Navy Federal’s sole discretion. These serious account issues include, but are not limited to, potential fraud or security concerns, unknown address, and identity or membership verification.

Eligible Accounts
All business checking and savings accounts currently offered by Navy Federal are eligible for this Service.

Navy Federal reserves the right, in its sole discretion, to change, modify, add, or remove business checking and savings accounts eligible for this Service.

Limitations of Service
When using this Service, you may experience technical or other difficulties. We do not assume liability for any technical or other difficulties or any resulting damages that you may incur. We reserve the right to change, suspend, or revoke services immediately and at any time without prior notice to you. In the event this Service is not available to you for any reason, you acknowledge that you can deposit your check at a branch office location, through a participating ATM, or by mail.

Charges or Fees
Navy Federal does not charge a usage fee for business use of this Service. We reserve the right to start charging for this Service at any time. Charges from your wireless provider may apply.

You also agree that we may contact you via your wireless device for any purposes concerning your accounts at Navy Federal, including, but not limited to, account servicing and collection.

Returned Checks
If an item you transmit for deposit is dishonored, rejected, or otherwise returned unpaid, you agree that we may charge back the amount of the returned check to the account into which the check was originally deposited, and you will be assessed a fee in the amount shown on Navy Federal’s current Schedule of Fees and Charges for a returned check. If there are insufficient funds in your account to cover the amount of the returned check, the account will be overdrawn, and you will be responsible for payment in accordance with the terms and conditions of your account agreement with Navy Federal and the Navy Federal Business Services Important Disclosures booklet. You agree that Navy Federal may debit any account maintained by you in order to obtain payment of your obligations under this Agreement.

Termination of Service
You have the right to discontinue your use of the Service at any time. This may be accomplished through navyfederal.org or by phone at 1-888-842-6328. When terminating this Service, you will not receive a refund of any usage fees that have already been collected.

Eligible Items
You agree to only deposit “checks,” which are defined as negotiable demand drafts on or payable through an office of a bank. When the image of the check transmitted to Navy Federal is converted to an Image Replacement Document for subsequent presentment and collection, it shall thereafter be deemed an “item” within the meaning of Articles 3 and 4 of the Uniform Commercial Code.

You agree that you will not use this Service to deposit any ineligible items, including, but not limited to, the following:
1. Checks or items containing an obvious alteration to any of the fields on the front of the check or item, which you know or suspect, or should know or suspect, to be fraudulent;

You will only receive one (1) $225 credit per Business Day, even if you deposit more than one (1) check using the Service. Deposits made on weekends or Federal Holidays are considered received on the next Business Day, but as a member service, you will receive the $225 credit upon approval of the earliest deposit. For example, if you make one (1) deposit on Saturday, one (1) on Sunday, and another on Monday, you would still only receive one (1) $225 credit on Saturday, as all three (3) deposits would be considered received on Monday. For more examples of when funds are available, please see the Mobile Deposits Frequently Asked Questions (FAQs) at navyfederal.org.

Any credit given for items deposited using the Service is provisional and subject to verification and final approval of the item. Navy Federal, at its sole discretion, may place an additional hold on any item for a reasonable period until settlement of the item is deemed to be complete. We will notify you if we delay your ability to withdraw funds for any reason, and we will tell you when funds will be available. Funds will generally be available no later than five (5) Business Days after the day of deposit. You agree to receive all notifications regarding your use of this Service, including, but not limited to, notices required by law or regulation, electronically. With respect to each item you transmit to Navy Federal for deposit, you agree to indemnify and reimburse Navy Federal for and hold Navy Federal harmless from and against any and all losses, costs, and expenses.

Retention and Disposal of Items
You agree to retain each item for no fewer than five (5) days after your deposit is considered to be received. If a hold is placed on your deposit and you need to retain your check for a longer period, Navy Federal will notify you. Upon receipt of the funds, you agree to mark the item(s) prominently as “VOID” and to dispose of the item(s) in a way that prevents the representation of the item(s) for payment. You agree to store each retained item securely until such proper disposal is performed. You will promptly provide any retained item to Navy Federal as requested to aid in the clearing and collection process or to resolve claims by third parties with respect to any item. You agree to comply with any request for audit, as deemed necessary by Navy Federal.
