## H. Disclosure Agreement and Survivorship Designation

### Guidelines for Minor's Accounts

A membership/savings account will be opened for a Minor at any age; however, the Minor must have a Social Security Number. A checking account may be opened for a Minor 14 years of age or older. A Joint Owner (who is 18 or older) is required on both the savings and checking accounts until the Minor reaches the age of 18. Navy Federal reserves the right to deny the Joint Owner's application if the Joint Owner's checking account was previously closed due to abuse. A CUCARD for the Minor may be issued at any time if the Joint Owner requests it. A Navy Federal Debit Card can be issued for the Minor if a checking account has been opened and the Joint Owner requests it. A Visa® or Mastercard® credit card cannot be issued for the Minor until 18 years of age. Mobile and online banking is only available to minors 14 years and older.

### Applicable to Minors and Joint Owners

**Account Disclosures:** I/We acknowledge that membership at Navy Federal comes with certain ongoing responsibilities. By signing this document, I/we acknowledge receipt of and agree to all terms and conditions in the Important Disclosures booklet and all other disclosed terms and conditions of all accounts and services that I/we may receive at Navy Federal. These terms and conditions will be disclosed in accordance with applicable state and federal laws.

**Escheatment:** I/We acknowledge that my/our property may be transferred to the appropriate state if there has been no activity on any of my/our accounts within the time period specified by state law.

**Contractual Lien:** I/We acknowledge that Navy Federal may transfer funds from any accounts in which I/we have an ownership interest to correct a negative or overdrawn amount on any account on which my/our name(s) appear(s). This applies to all funds I/we voluntarily deposit into Navy Federal accounts, including Social Security funds, as permitted by law.

### Applicable to Joint Owners

**Consumer Reports:** I/We (Joint Owner(s) who is/are 18 or older) authorize Navy Federal to obtain a consumer credit report to evaluate my/our creditworthiness so that I/we may be considered for other Navy Federal products and services. I/We also authorize Navy Federal to obtain consumer reports for the purposes of evaluating this membership application and reviewing any Navy Federal accounts I/we open. I/We understand these reports may be used in decisions to deny account applications, close accounts, and/or restrict accounts or services.

**Identification:** Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account, including Joint Owners and authorized signers. *What this means for you:* When you open an account, we will ask you for your name, address, date

of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents. It may be necessary for Navy Federal to restrict account access pending further verification of your identity or documentation related to your eligibility.

### Authorized Users and Online Banking

**Applicable to Joint Owners of Minors Under 14:** If I/we (the Joint Owner(s) checked the corresponding box in Section C, I/we, on the Minor's behalf and in my/our individual capacity, submit this application for me/us to be the Minor's Authorized User(s) for Navy Federal's online banking service ("online banking").

**Applicable to Minors 14 and Over:** If the corresponding box in Section C is checked, I/we (the Minor, or the Joint Owner(s) on the Minor's behalf) apply for mobile and online banking for the Minor.

**Applicable to Joint Owners of Minors 14 and Over:** If I/we (the Joint Owner(s) checked the corresponding box in Section C, I/we, on the Minor's behalf and in my/our individual capacity, submit this application for me/us to be the Minor's Authorized User(s) for online banking.

**Online Banking and Powers of Authorized User:** I/We understand that the mobile and online banking service will provide the Minor access to all existing and future accounts held in the Minor's name. Through online banking, the Authorized User(s) will also have access to the Minor's accounts except those accounts where the Minor is designated as a Joint Owner, co-applicant, or co-signer (guarantor). The Authorized User will also have the ability to enroll in or access the Minor's Bill Pay service, and to suppress paper statements. Note: Joint Owners on accounts who are not also Authorized Users for the Primary Account Owner cannot access account statements through online banking. I/We understand and agree that online banking for an Authorized User will remain in effect until such time as I/we contact and direct Navy Federal to terminate such access to my/our account(s). I/We hereby accept responsibility for safeguarding and protecting my/our password(s) and other credentials used to access online banking and, if applicable, mobile banking, as well as the security of the computer or access device used to access online and, if applicable, mobile banking in order to prevent unauthorized access and transactions on the account. I/We agree that Navy Federal may revoke my/our online and, if applicable, mobile banking service if unauthorized access or transactions occur as the apparent result of my/our negligence in safeguarding the password(s) or access device(s). If I/we applied for online and, if applicable, mobile banking, I/we acknowledge receipt of, have read, understand, and agree to the Mobile Banking, Online Banking, and Bill Pay Disclosure Statement and all amendments made available on [navyfederal.org](http://navyfederal.org) or by calling 1-888-842-6328.

## B. General Mobile Banking, Online Banking, and Bill Pay Terms and Conditions

These General Mobile Banking, Online Banking, and Bill Pay Terms and Conditions apply equally to Mobile Banking, Online Banking, and Bill Pay, except where the context indicates otherwise. For additional terms and conditions specific to Mobile Banking or Bill Pay, see below in the appropriate section.

This section provides information and the general terms and conditions for use of Navy Federal's Mobile Banking, Online Banking, and Bill Pay Services. You will find definitions of terms used throughout the Agreement, and provisions that provide you necessary information related to contacting you by mobile device, by email, and electronically; the electronic transactions permitted; your liability for unauthorized transactions; contact information for unauthorized transactions or if you have a question or error that needs to be resolved; protecting your password, access, devices, and means to carry out electronic transactions; and your remedies and limitations on liability.

### 1. General Mobile Banking, Online Banking, and Bill Pay Definitions

**"Affiliates"** are companies related by common ownership or control.

**"Agreement"** means the terms and conditions that pertain to the particular Service in which this defined term is used, or to this entire Mobile Banking, Online Banking, and Bill Pay Terms and Conditions disclosure, where the context does not indicate a particular Service.

**"Business Days"** are Monday through Friday, except federal holidays.

**"Mobile Banking"** means any activity conducted by you on Navy Federal's mobile app, including Bill Pay, and any future Services used by you on Navy Federal's mobile app.

**"Navy Federal," "we," "us," or "our"** refers to Navy Federal Credit Union and its affiliates and Service Providers.

**"You," "your," "I," or "yourself"** refers to the Member, authorized user, or joint account holder using the Services.

### 2. Access to All Existing and Future Accounts

With Mobile and Online Banking, you will have access to all existing and future accounts on which you are the owner or joint owner. However, if you are a joint owner and you wish to access account statements, the primary owner must designate you as an authorized user for Online Banking, with permission to access statements. Authorized users have access to the primary owner's Online Banking, subject to the conditions in the paragraph "Authorized User" below.

### 3. Authorized User

You may elect to authorize Online Banking access only for any number of authorized users, in addition to yourself. A separate application and agreement must be signed for each authorized user. If you desire an authorized user to have access to your account via Online Banking, you must sign the Mobile Banking, Online Banking, and Bill Pay Application and Agreement as the Member, and the other person must sign the application as the authorized user. At the time you add an authorized user, the authorized user will by default have access to all existing and future accounts held in your name, except those where you are designated as the joint owner, co-signer (guarantor), or co-borrower.

Your authorized user will have authority to perform the following functions through Online Banking:

- Make transfers to and from your account
- Enroll in or access your Bill Pay Service
- View your eStatements, suppress your paper statements, and request a statement copy
- Enroll in Scan Deposits and use the Scan Deposits Service
- Check the status of a pending loan application
- Update your personal information
- Sign up for email alerts
- Send us an eMessage
- View your account details and account summary
- View checks online, order checks, or make a stop payment request
- Change your checking account type

You can manage your authorized user's privileges via the "Settings" link in Online Banking. This will allow you to provide access for your authorized user(s) to certain accounts and Services as you deem necessary.

Note that, while your authorized user may access your lines of credit, you remain solely responsible for repayment if any credit is extended. Authorizing Online Banking for an authorized user will make you financially liable for all unauthorized access, losses, or misuse of your accounts until reported to Navy Federal.

### 4. Verification of Identification

To help fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account, including joint owners and authorized users. When you open an account or become an authorized user, we will ask you for your name, address, date of birth, and other information that will allow us to identify you.

You may make cash advances from your Navy Federal Credit Card or Home Equity Line of Credit (HELOC) to your savings accounts, checking accounts, or MMSAs.

You may transfer funds from your savings accounts, checking accounts, and MMSAs to another Member's savings account, checking account, and MMSA or to make a payment on another Member's consumer loan if you have established a Member-to-Member transfer capability for those accounts.

You may transfer funds from your checking account at Navy Federal to a checking account at another financial institution via the Automated Clearing House (ACH) when the transfer is originated from Navy Federal.

You may make transfers from your checking account at another financial institution to make a payment on a Navy Federal loan when the transfer is originated from Navy Federal.

You may make bill payments directly from your checking accounts or MMSAs in the amounts and on the days you requested, using our Bill Pay Service.

You may withdraw \$5 to \$2,500 from your savings accounts to be mailed by check to your savings account address of record on the next Business Day.

We may add new transfer capabilities or features to our Mobile and Online Banking, which will be subject to the terms governing the relevant accounts.

## 9. Transfer Limitations

There is no limit on the number of transfers from your savings account or your MMSA if they are made in person, by automatic teller machine (ATM), or by mail, or if they are made to make payments on Navy Federal loans, to have funds mailed directly to you, or as a distribution of your direct deposit. Otherwise, federal regulations limit the number of certain types of transfers and/or withdrawals you can make from your savings account and your MMSA to six (6) per calendar month. The types of transfers that are limited are those requested by fax, telephone, internet, mobile, pre-authorized transfers, or transfers automatically generated from savings to cover checking overdrafts or MMSA checks.

Except for the Federal regulations limits described above, there is no limit on the number of transfers that can be performed per day.

There are minimum and maximum total dollar transfer limits associated with transferring funds to/from another financial institution via the ACH when the transfer is originated from Navy Federal.

Transfers from a Navy Federal checking account to a checking account at another financial institution may be requested for a minimum of \$5.00 to a maximum of \$5,000 per Business Day. However, the total aggregate amount of all checking transfers within any five-Business-Day period cannot exceed \$15,000.

Transfers to Navy Federal loans from a checking account at another financial institution may be requested for a minimum of \$5.00 to a maximum of \$10,000 per Business Day. However, the total aggregate amount of all loan payments within any five-Business-Day period cannot exceed \$30,000.

Transfers to Navy Federal mortgage loans from a checking account at another financial institution may be requested for a minimum of \$5.00 to a maximum of

\$30,000 per Business Day. However, the total aggregate amount, which includes your regular payment, additional escrow, principal, and late fees, of all mortgage payments within any five-Business-Day period cannot exceed \$30,000.

Aggregate amounts apply to all accounts that you own individually or that you have joint ownership of, and are based on the effective transfer date(s). If you attempt to schedule a transfer or payment that would exceed these limits, an online message will let you know the effective transfer date(s) that have exceeded these limits.

These transfer limits can also be found within Online Banking by clicking on the "Help" function, and then on "External Transfers" under the "Categories" column.

For security reasons, Navy Federal may impose further limitations on the dollar amounts of transfers initiated at Navy Federal.

## 10. Your Liability for Unauthorized Electronic Funds Transfers

### Notify us AT ONCE if you believe:

- your account may have been accessed without your authority;
- your card, code, or password has been lost or stolen;
- someone has transferred or may transfer money from your account without your permission; or
- an electronic funds transfer has been made without your permission using information from your check or your MMSA check.

The best way to minimize your possible loss is to telephone or contact us through our eMessage system at [navyfederal.org](http://navyfederal.org), although you may advise us in person or in writing. If you do not notify us, you could lose all the money in your account (plus your maximum line of credit amount).

If you tell us within two (2) Business Days after you discover your password or other means to access your account has been lost or stolen, your liability is no more than \$50.00 should someone access your account without your permission. If you do not tell us within two (2) Business Days after you discover such loss or theft, and we can prove that we could have prevented the unauthorized use of your password or other means to access your account if you had told us, you could be liable for as much as \$500.00.

**Also, if your statement shows transfers that you did not make or authorize, tell us AT ONCE.** If you do not tell us within sixty (60) days after the statement was delivered to you of any unauthorized or fraudulent use of your account, you may not get back any of the money you lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) prevented you from telling us, we may in our sole discretion extend the time periods.

- Call us 24 hours a day at our toll-free number: 1-888-842-6328

We must hear from you no later than sixty (60) days after the FIRST statement on which the problem or error appeared. When you contact us:

- tell us your name and account number;
- describe the error or the transaction you are unsure about and clearly explain why you believe it is an error or why you need more information; and
- tell us the dollar amount and date of the suspected error.

These are our procedures for resolving errors:

- If you tell us orally, we may require that you send your complaint in writing within ten (10) Business Days after your oral notification.
- We will determine whether an error occurred within ten (10) Business Days (twenty (20) Business Days for new accounts) after you notify us of the error and will correct any error promptly. However, if we require more time to confirm the nature of your complaint or question, we reserve the right to take up to forty-five (45) days to complete our investigation. For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. If we decide to do this, we will provisionally credit your account within ten (10) Business Days (twenty (20) Business Days for new accounts) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. A provisional credit is a temporary credit adjustment made to your account during the time it takes us to complete our investigation.
- If we ask you to submit your complaint or question in writing and we do not receive it within ten (10) Business Days, we may remove the provisional credit from your account.
- If it is determined that there was no error, we will reverse any provisional credits within one (1) Business Day of finishing our investigation, and send you a written explanation within three (3) Business Days. If there are insufficient funds in your account to cover the amount of the provisional credit, the account will be overdrawn, and you will be responsible for payment. You may ask for copies of documents used in our investigation.

## 12. Protecting Your Password and Ensuring the Security of Your Device

By applying for Mobile and Online Banking, you agree to accept responsibility for safeguarding and protecting your Password, Reset Question and Answer, Challenge Questions and Answers, or any other credentials used to access Mobile or Online Banking. If you believe your password or other credentials have been lost or stolen, or that someone may attempt to use your Mobile or Online Banking Service without your consent or has transferred money without your permission, notify us at once at the address or telephone numbers listed in paragraph 10, "Your Liability for Unauthorized Electronic Funds Transfers," above.

You agree not to give or make available your password or credentials to any unauthorized individuals, and you agree to be responsible for all actions taken by anyone to whom you have provided such credentials or allowed to use your Mobile or Online Banking Service, including any Bill Pay transactions.

In order to help prevent unauthorized transactions on Mobile and Online Banking, you also agree to ensure the security of the personal computer (PC) you own and/or use to access Online Banking, and of any mobile device you use to access Mobile Banking. By securing the PC you own and/or use, we specifically mean installing antivirus software, a firewall, and spyware detection software on your PC, and keeping this security software current, or verifying that the above security software has been installed and is current.

### 13. Periodic Statements

Unless you have opted in to receiving your statements electronically, you will receive a paper monthly account statement (unless there are no electronic funds transfers in a particular month, in which case you will receive a statement at least quarterly). Additionally, you can view all your account transaction activity through Mobile and Online Banking.

### 14. Transaction Fees

Navy Federal does not charge for transfers initiated or account information viewed via Navy Federal Mobile or Online Banking, or for the Bill Pay Services, except for the optional "Rush Delivery" fee for expedited Bill Pay. However, message and data rates may apply. Visit [navyfederal.org](http://navyfederal.org) for more information. Navy Federal will use reasonable efforts to complete all your transfers properly. If Navy Federal does not complete a transfer to or from your account on time, in the correct amount, or to the correct recipient in accordance with your payment instructions, according to our Agreement with you, we will be liable for your losses or damages.

However, there are some exceptions. We will NOT be liable, for instance, if:

- a.) through no fault of ours, you do not have sufficient funds in your account (for Bill Pay, this is your Payment Account—see the Bill Pay section below in this Agreement), available funds through your Optional Overdraft Protection Service (OOPS), or available credit in your Checking Line of Credit (CLOC) to make the transfer. Per federal regulation, pre-authorized telephone, internet, mobile, or automatic transfers from savings to cover checking overdrafts cannot exceed six (6) in number per calendar month; in such case for Bill Pay, the Bill Pay Service Guarantee shall be void;

- e.) for Bill Pay, the Service is not working properly and you know or have been advised by us about the malfunction before you execute the transaction or the Payment Instruction; in such case for Bill Pay, the Bill Pay Service Guarantee shall be void;

- g.) Bill Pay Rush Delivery payments are submitted without complete or accurate information and are therefore rejected or do not post on time. You will be charged the associated fee for each Rush Delivery payment order you submit, regardless of whether it was properly submitted.

For Bill Pay, provided none of the foregoing exceptions are applicable, if the Service causes an incorrect amount of funds to be removed from your Payment Account or causes funds from your Payment Account to be directed to a Biller that does not comply with your Payment Instruction, the Service shall be responsible for returning the improperly transferred funds to your Payment Account, directing to the proper Biller any previously misdirected transactions, and, if applicable, any late payment-related charges.

### 16. Disclosure of Account Information to Third Parties

Unless expressly stated otherwise, all other terms of this Agreement shall remain in full force and effect. Unless our Important Disclosures Booklet states otherwise, you agree that any claim or dispute you may have against us must be resolved by a court located in the county in which you reside. ### 2. Service Providers

We are offering you the Service through one or more Service Providers that we have engaged to render some or all of the Service to you on our behalf. The Service Provider will be processing Bill Pay payments and answering questions directly related to such member-initiated Bill Pay payments. Notwithstanding that we have engaged such a Service Provider to render some or all of the Service to you, we are the sole party liable to you for any payments or transfers conducted using the Bill Pay Service. You agree that we have the right under this Agreement to delegate to Service Providers all the rights and performance obligations that we have under this Agreement, and that the Service Providers will be third-party beneficiaries of this Agreement and will be entitled to all the rights and protections that this Agreement provides to us. Navy Federal, in our sole discretion, reserves the right to change Bill Pay Service Providers.

The Service Providers are independent contractors for all purposes, except that they act as your agent with respect to the custody of your funds for the Service. The Service Providers do not have control of, or liability for, any products or services that are paid for with the Service. The Service Providers also do not guarantee the identity of any user of the Service (including, but not limited to, Receivers to whom you send payments).

### 3. United States Address

To be enrolled in the Service, you must have a United States mailing address, a FPO or APO address, or an address in one of the following U.S. territories and/or possessions: American Samoa, Guam, Marshall Islands, Micronesia, N. Mariana Island, Palau, Puerto Rico, or the Virgin Islands.

### 4. Failed or Returned Transactions

In using the Service, you are requesting us to make payments for you from your Payment Account. If we are unable to complete the withdrawal from your Payment Account or your Eligible Transaction Account, as the case may be, for any reason (for example, there are non-sufficient funds in your Payment Account or Eligible Transaction Account to cover the transaction, or the transaction would exceed the credit or overdraft protection limit of your Payment Account or Eligible Transaction Account), the payment may not be made. In some instances, you will receive a return notice from us. In each such case, you agree that:

- you will reimburse us immediately upon demand for the transaction amount that has been returned to the Service;
- you will reimburse us immediately upon demand for any transaction amount paid by the Service;
- we may charge you a non-sufficient funds (NSF) fee in accordance with our *Schedule of Fees and Charges* available at [navyfederal.org](http://navyfederal.org), even if the payment is not returned but is paid;
- you will reimburse us for any fees we incur in attempting to collect the transaction amount from you that was paid by the Service;
- to recover the transaction amount paid by the Service, we may withdraw the transaction amount from any share accounts on which you are a primary or joint owner;
- to recover the transaction amount paid by the Service, we may draw on the available balance on any line of credit accounts (e.g., CLOC) on which you are a primary or joint owner;
- we may impose a late charge equal to 1.5% monthly interest or the legal maximum, whichever rate is lower, for any amounts not reimbursed to us within fifteen (15) days of the initial demand; and
- we are authorized to report the facts concerning the failed or returned transaction to any consumer credit reporting agency.

## 5. Prohibited Payments

The following types of payments are prohibited through the Service, and we have the right but not the obligation to monitor for, block, cancel, and/or reverse such payments:

In addition to the above-referenced prohibited payments, we may also block and/or reverse payments that involve donations or payments to an unauthorized charity or non-profit organization, unless we have performed appropriate due diligence on and investigation of such charity or non-profit organization and have determined its legitimacy, in our sole discretion. In no event shall we or our Service Providers be liable for any claims or damages resulting from your scheduling of prohibited payments. We have no obligation to research or resolve any claim resulting from a prohibited payment. All research and resolution for any misapplied, misposted, or misdirected prohibited payments will be your sole responsibility and not ours. We encourage you to provide notice to us by the methods described in paragraph 7 of this "Bill Pay Terms and Conditions" section of any violations of this paragraph or the Agreement generally.

## 6. Acceptable Use

You agree that you are independently responsible for complying with all applicable laws in all your activities related to your use of the Service(s), regardless of the purpose of the use, and for all communications you send through the Service(s). We and our Service Providers have the right but not the obligation to monitor and remove communications content that we find in our sole discretion to be objectionable in any way. In addition, you are prohibited from using the Service(s) for communications or activities that: (a) violate any law, statute, ordinance, or regulation; (b) promote hate, violence, racial intolerance, or the financial exploitation of a crime; (c) defame, abuse, harass, or threaten others; (d) include any language or images that are bigoted, hateful, racially offensive, vulgar, obscene, indecent, or discourteous; (e) infringe or violate any copyright, trademark, right of publicity or privacy, or any other proprietary right under the laws of any jurisdiction; (f) impose an unreasonable

We encourage you to provide notice to us by the methods described in paragraph 7 of this "Bill Pay Terms and Conditions" section of any violations of this paragraph or the Agreement generally.

Notices to us concerning the Service must be sent by postal mail to:

Navy Federal Credit Union  
Attn: Account Servicing  
P.O. Box 182477  
Columbus, OH 43218-2477

We may also be reached toll-free at 1-888-560-8031 or dial direct at 1-614-564-3878 for questions and other purposes concerning the Service. We will act on your telephone calls as described in paragraph 11, "In Case of Errors or Questions About Your Electronic Transfers," in the "General Mobile Banking, Online Banking, and Bill Pay Terms and Conditions" section above, but otherwise, such telephone calls will not constitute legal notices under this Agreement.

## 9. Notices to You

You agree that we may provide notice to you by sending it to you through the Navy Federal Online eMessage system, by sending you an in-product message within the Site, by emailing it to an email address that you have provided us, by mailing it to any postal address that you have provided us, or by sending it as a text message to any mobile phone number that you have provided us. For example, you may receive certain notices (such as notices of processed Payment Instructions, alerts for validation, and notices of receipt of payments) as text messages on your mobile phone. All notices by any of these methods shall be deemed received by you no later than twenty-four (24) hours after they are sent or posted, except for notice by postal mail, which shall be deemed received by you no later than three (3) Business Days after it is mailed.

## 10. Privacy of Others

If you receive information about another person through the Service, you agree to keep the information confidential and only use it in connection with the Service.

## 11. Receipts and Transaction History

You may view your Bill Pay transaction history by logging into the Service and looking at your transaction history. You agree to review your transactions by this method instead of receiving receipts by mail.

## 12. Mobile Phone Users

Your phone service provider is not the provider of the Service. Users of the Service will receive text messages relating to their Payment Instructions and other notices from time to time if a mobile phone number is provided. Data and messaging charges from your telecommunications provider may apply, and you are responsible for any

such charges. In the event your enrolled mobile device is lost or stolen, you agree to update your enrollment information and make the appropriate changes to disable the use of such device. You understand that there are risks associated with using a mobile device, and that in the event of theft or loss, your confidential information could be compromised.

### 13. Information Authorization

Your enrollment in the Service may not be fulfilled if we or the Service cannot verify your identity or other necessary information. For Bill Pay, in order to verify ownership of the Payment Account(s) and/or Billing Account, the Service may issue offsetting debits and credits to the Payment Account(s) and/or Billing Account, and require confirmation of such from you. Through your enrollment in the Service, you agree that we or the Service reserve the right to request a review of your credit rating at our or its own expense through an authorized bureau. In addition, and in accordance with our Privacy Policy, you agree that we reserve the right to obtain personal information about you, including (without limitation) financial information and transaction history regarding your Payment Account or Eligible Transaction Account. In addition, you agree that the Service reserves the right to obtain financial information regarding your account from a Biller or your financial institution (for example, to resolve payment posting problems or for verification). You further understand and agree that we reserve the right to use personal information about you for our and our Service Providers' everyday business purposes, such as to maintain your ability to access the Service, to authenticate you when you log in, to send you information about the Service, to perform fraud screening, to verify your identity, to determine your transaction limits, to perform collections, to comply with laws, regulations, court orders, and lawful instructions from government agencies, to protect the personal safety of subscribers or the public, to defend claims, to resolve disputes, to troubleshoot problems, to enforce this Agreement, to protect our rights and property, and to customize, measure, and improve the Service and the content and layout of the Navy Federal website and the Site. Additionally, we and our Service Providers may use your information for risk management purposes and may use, store, and disclose your information acquired in connection with this Agreement as permitted by law, including (without limitation) any use to effect, administer, or enforce a transaction or to protect against or prevent actual or potential fraud, unauthorized transactions, claims, or other liability. We and our Service Providers shall have the right to retain such data even after termination or expiration of this Agreement for risk management, regulatory compliance, audit compliance, and audit reasons, and as permitted by applicable law for everyday business purposes. In addition, we and our Service Providers may use, store, and disclose such information acquired in connection with the Service in statistical form for pattern recognition, modeling, enhancement and improvement, and system analysis, and to analyze the performance of the Service.

### 14. Charges or Fees

The Bill Pay service is provided to you at no cost. Charges for other transactions and optional services (e.g., non-sufficient funds, stop payment, or overdraft fees), as well as the fee associated with the optional Rush Delivery service, are specified in Navy Federal's *Schedule of Fees and Charges*, which can be found at [navyfederal.org](http://navyfederal.org).

You agree to pay such fees and charges, and authorize the Service to charge your designated Billing Account for these amounts and any additional charges that may be incurred by you. Any fees associated with your share or loan accounts will continue to apply. You are responsible for any and all telephone access fees or internet service fees that may be assessed by your telephone utility and/or internet service provider.

### 15. Banking Changes

You can update your choice of Payment Account within the Service, but any changes to your Billing Account must be made by calling Navy Federal at 1-888-842-6328. All changes made are effective immediately for scheduled and future payments paid from the updated Payment Account information. The Service is not responsible for any payment processing errors or fees incurred if you do not provide accurate Payment Account information, contact information, or payment instructions.

### 16. Bill Payment Scheduling

The earliest possible Scheduled Payment Date for each Biller (typically four (4) or fewer Business Days from the current date) will be designated within the application when you are scheduling the payment. Therefore, the application will not permit you to select a Scheduled Payment Date earlier than the earliest possible Scheduled Payment Date designated for each Biller. When scheduling payments, you must select a Scheduled Payment Date that is no later than the actual Due Date reflected on your Biller statement, unless the Due Date falls on a non-Business Day. If the actual Due Date falls on a non-Business Day, you must select a Scheduled Payment Date that is at least one (1) Business Day before the actual Due Date. Scheduled Payment Dates should be prior to any late date or grace period.

Please note: While you can make payments to your Navy Federal loan accounts using the Service, you can also make payments using the transfer payment option on the Navy Federal Online Banking service at no charge.

Rush Delivery: In order for a Rush Delivery payment to be processed the same day, it must be initiated on a Business Day and prior to the Biller's cutoff time. Cutoff times vary by Biller. If Rush Delivery is not available for an intended Biller, if you have missed the Biller's cutoff time for that day, or if you attempt to submit a Rush Delivery payment on a non-Business Day, it will not be presented as an option to you.

### 17. The Service Guarantee

Due to circumstances beyond the control of the Service, particularly delays in handling and posting payments by Billers or financial institutions, some transactions may take longer to be credited to your account. The Service will bear responsibility for any late payment-related charges up to \$50.00 should a payment post after its Due Date, as long as the payment was scheduled in accordance with the guidelines described under "Bill Payment Scheduling" in this Agreement.

### 18. Exception Payments

Tax payments and court-ordered payments may be scheduled through the Service; however, such payments are discouraged and are scheduled at your own risk. In no event shall the Service be liable for any claims or damages resulting from your scheduling of these types of payments. The Service Guarantee as it applies to any late payment-related charges is void when these types of payments are scheduled and/or processed by the Service. The Service has no obligation to research or resolve any claim resulting from an exception payment. All research and resolution for any misapplied or misdirected payments will be the sole responsibility of you and not of the Service.

### 19. Payment Authorization and Payment Remittance

By providing the Service with names and account information of Billers to whom you wish to direct payments, you authorize the Service to follow the Payment Instructions that it receives through the payment system. In order to process payments more efficiently and effectively, the Service may edit or alter payment data or data formats in accordance with Biller directives.

When the Service receives a Payment Instruction, you authorize the Service to debit your Payment Account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by you. You also authorize the Service to credit your Payment Account for payments returned to the Service by the United States Postal Service or Biller, or payments remitted to you on behalf of another authorized user of the Service.

If you choose the optional "Rush Delivery" service, you authorize the Service to debit your Payment Account the same day, with the additional fee charged for Rush Delivery. Please refer to the *Schedule of Fees and Charges* at [navyfederal.org](http://navyfederal.org).

### 20. Payment Methods

The Service reserves the right to select the method in which to remit funds on your behalf to your Biller. These payment methods may include, but may not be limited to, an electronic payment, an electronic-to-check payment, or a laser draft payment (funds remitted to the Biller are deducted from your Payment Account when the laser draft is presented to your financial institution for payment).

## 21. Payment Cancellation Requests

You may cancel or edit any Scheduled Payment, including recurring payments, but excluding "Rush Delivery" payment orders, by following the directions within the application. There is no charge for canceling or editing a Scheduled Payment. Once the Service has begun processing a payment, it cannot be canceled or edited. Therefore, a stop payment request must be submitted.

The "Rush Delivery" service results in immediate processing of your payment, and cannot be modified or canceled once submitted.

## 22. Stop Payment Requests

The Service's ability to process a stop payment request will depend on the payment method and whether or not a check has cleared. The Service may also not have a reasonable opportunity to act on any stop payment request after a payment has been processed. If you desire to stop any payment that has already been processed, you must contact Bill Pay Customer Care, offered through our Service Provider. Although the Service will make every effort to accommodate your request, the Service will have no liability for failing to do so. The Service may also require you to present your request in writing within fourteen (14) days. Please refer to the *Schedule of Fees and Charges*, which can be found on the Navy Federal website ([navyfederal.org](http://navyfederal.org)).

A stop payment request cannot be submitted for "Rush Delivery."

## 23. Electronic Bill (E-Bill) Delivery and Presentment

This feature is for the presentment of electronic bills (E-Bills) only, and it is your sole responsibility to contact your Billers directly if you do not receive your statements. In addition, if you elect to activate one of the Service's electronic bill options, you also agree to the following:

- a.) Information provided to the Biller—The Service is unable to update or change your personal information such as, but not limited to, name, address, phone numbers, and email addresses with the electronic Biller. Any changes will need to be made by contacting the Biller directly. Additionally, it is your responsibility to maintain all usernames and passwords for all electronic Biller sites. You also agree not to use someone else's information to gain unauthorized access to another person's bill. The Service may, at the request of the Biller, provide to the Biller your email address, service address, or other data specifically requested by the Biller at the time of activating the electronic bill for that Biller, for the purposes of the Biller informing you about Service and/or bill information.
- b.) Activation—Upon activation of the electronic bill feature, the Service may notify the Biller of your request to receive electronic billing information. The presentment of your first electronic bill may vary from Biller to Biller and may take up to sixty (60) days, depending on the billing cycle of each Biller. Additionally, the ability to receive a paper copy of your statement(s) is at the sole discretion of the Biller. While your electronic bill feature is being activated, it is your responsibility to keep your accounts current. Each electronic Biller reserves the right to accept or deny your request to receive electronic bills.
- c.) Authorization to obtain bill data—Your activation of the electronic bill feature for a Biller shall be deemed by us to be your authorization for us to obtain bill data from the Biller on your behalf. For some Billers, you will be asked to provide us with your username and password for that Biller. By providing us with such information, you authorize us to use the information to obtain your bill data.
- d.) Notification—The Service will use its best efforts to present all your electronic bills promptly. In addition to notification within the Service, the Service may send an email notification to the email address listed for your account. It is your sole responsibility to ensure that this information is accurate. In the event you do not receive notification, it is your responsibility to periodically log in to the Service and check on the delivery of new electronic bills. The time for notification may vary from Biller to Biller. You are responsible for ensuring timely payment of all bills.
- e.) Cancellation of electronic bill notification—The electronic Biller reserves the right to cancel the presentment of electronic bills at any time. You may cancel electronic bill presentment at any time. The timeframe for cancellation of your electronic bill presentment may vary from Biller to Biller. It may take up to sixty (60) days, depending on the billing cycle of each Biller. The Service will notify your electronic Biller(s) as to the change in status of your account, and it is your

sole responsibility to make arrangements for an alternative form of bill delivery. The Service will not be responsible for presenting any electronic bills that are already in process at the time of cancellation.

- f.) Non-delivery of electronic bill(s)—You agree to hold the Service harmless should the Biller fail to deliver your statement(s). You are responsible for ensuring timely payment of all bills. Copies of previously delivered bills must be requested from the Biller directly.
- g.) Accuracy and dispute of electronic bill—The Service is not responsible for the accuracy of your electronic bill(s). The Service is only responsible for presenting the information we receive from the Biller. Any discrepancies or disputes regarding the accuracy of your electronic bill summary or detail must be addressed with the Biller directly.

This Agreement does not alter your liability or obligations that currently exist between you and your Billers.

## 24. Biller Limitation

The Service reserves the right to refuse to pay any Biller to whom you may direct a payment. The Service will notify you promptly if it decides to refuse to pay a Biller designated by you. This notification is not required if you attempt to make a prohibited payment or an exception payment under this Agreement.

## 25. Returned Payments

In using the Service, you understand that Billers and/or the United States Postal Service may return payments to the Service for various reasons such as, but not limited to: Biller's forwarding address expired; Biller account number is not valid; Biller is unable to locate account; or Biller account is paid in full. The Service will use its best efforts to research and correct the returned payment and return it to your Biller, or void the payment and credit your Payment Account. You may receive notification from the Service.
