

Form 5305-E Under Section 530 of the Internal Revenue Code

Form (Rev. March 2002)

The Grantor whose name appears on the Application is establishing a Coverdell Education Savings Account under Section 530 for the benefit of the Designated Beneficiary whose name appears on the Application exclusively to pay for the qualified elementary, secondary, and higher education expenses, within the meaning of Section 530(b)(2), of such Designated Beneficiary.

The Grantor has assigned the trust account the sum indicated on the Application. The Grantor and the Trustee make the following agreement:

Article I

The Trustee may accept additional cash contributions provided the Designated Beneficiary has not attained the age of 18 as of the date such contributions are made. Contributions by an individual contributor may be made for the tax year of the Designated Beneficiary by the due date of the beneficiary's tax return for that year (excluding extensions). Total contributions that are not rollover contributions described in Section 530(d)(5) are limited to \$2,000 for the tax year. In the case of an individual contributor, the \$2,000 limitation for any year is phased out between modified adjusted gross income (MAGI) of \$95,000 and \$110,000. For married individuals filing jointly, the phase-out occurs between modified AGI of \$190,000 and \$220,000. Modified AGI is defined in Section 530(c)(2).

Article II

No part of the trust account funds may be invested in life insurance contracts, nor may the assets of the trust account be commingled with other property except in a common trust fund or a common investment fund (within the meaning of Section 530(b)(1)(D)).

Article III

1. Any balance to the credit of the Designated Beneficiary on the date on which he or she attains age 30 shall be distributed to him or her within 30 days of such date.
2. Any balance to the credit of the Designated Beneficiary shall be distributed within 30 days of his or her death unless the designated death beneficiary is a Family Member of the Designated Beneficiary and is under the age of 30 on the date of death. In such case, that Family Member shall become the Designated Beneficiary as of the date of death.

Article IV

The Grantor shall have the power to direct the Trustee regarding the investment of the amount listed on the Application assigned to the trust account (including earnings thereon) in the investment choices offered by the Trustee. The Responsible Individual, however, shall have the power to redirect the Trustee regarding the investment of such amounts, as well as the power to direct the Trustee regarding the investment of all additional contributions (including earnings thereon) to the trust account. In the event that the Responsible Individual does not direct the Trustee regarding the investment of additional contributions (including earnings thereon), the initial investment direction of the Grantor also will govern all additional contributions made to the trust account until such time as the Responsible Individual otherwise directs the Trustee. Unless otherwise provided in this agreement, the Responsible Individual also shall have the power to direct the Trustee regarding the administration, management, and distribution of the account.

Article V

The Responsible Individual named by the Grantor shall be a parent or guardian of the Designated Beneficiary. The trust account shall have only one Responsible Individual at any time. If the Responsible Individual becomes incapacitated or dies while the Designated Beneficiary is a minor under state law, the successor Responsible Individual shall be the person named to succeed in that capacity by the preceding Responsible Individual in a witnessed writing or, if no successor is so named, the successor Responsible Individual shall be the Designated Beneficiary's other parent or successor guardian. Unless otherwise directed by checking the option on the Application, at the time that the Designated Beneficiary attains the age of majority under state law, the Designated Beneficiary becomes the Responsible Individual. If a Family Member under the age of majority under state law becomes the Designated Beneficiary by reason of being a named death beneficiary, the Responsible Individual shall be such Designated Beneficiary's parent or guardian.

Article VI

See the Application and Section 10.03 of this agreement for information regarding the Responsible Individual's ability to change the Designated Beneficiary named by the Grantor.

Article VII

1. The Grantor agrees to provide the Trustee with all information necessary to prepare any reports required by Section 530(h).
2. The Trustee agrees to submit to the Internal Revenue Service (IRS) and Responsible Individual the reports prescribed by the IRS.

Article VIII

Notwithstanding any other articles which may be added or incorporated, the provisions of Articles I through III will be controlling. Any additional articles inconsistent with Section 530 and the related regulations will be invalid.

Article IX

This agreement will be amended as necessary to comply with the provisions of the Code and the related regulations. Other amendments may be made with the consent of the Grantor and the Trustee whose signatures appear on the Application.

Article X

- 10.01 *Notices and Change of Address:* Any required notice regarding this Coverdell ESA will be considered effective when the Trustee mails it to the last address of the intended recipient which the Trustee has in its records. Any notice to be given to the Trustee will be considered effective when the Trustee actually receives it. The Responsible Individual must notify the Trustee of any change of address.
- 10.02 *Representations and Responsibilities:* The Grantor and the Responsible Individual represent and warrant to the Trustee that any information the Grantor and Responsible Individual have given or will give the Trustee with respect to this agreement is complete and accurate. Further, the Grantor and the Responsible Individual agree that any directions they give the Trustee or action they take will be proper under this agreement and that the Trustee is entitled to rely upon any such information or directions. The Trustee shall not be liable for acting upon any instructions given by the Responsible Individual named on the Application prior to the time the Trustee receives appropriate written notice that the Designated Beneficiary has met the requirements for assuming control of the Coverdell ESA, or that a new Responsible Individual has been appointed. The Trustee shall not be responsible for losses of any kind that may result from the Grantor's and Responsible Individual's directions to it or the Grantor's and Responsible Individual's actions, or failures to act. The Grantor and Responsible Individual agree to reimburse the Trustee for any loss the Trustee may incur as a result of such directions, actions, or failures to act. The Trustee has no duty to determine whether the contributions or distributions with respect to this Coverdell ESA comply with the Code, Regulations, rulings, or this agreement and shall not be responsible for any penalties, taxes, judgments, or expenses of the Designated Beneficiary or any Grantor to this Coverdell ESA. Notwithstanding anything in this agreement to the contrary, the Trustee may establish a policy permitting someone other than the Designated Beneficiary's parent or legal guardian to serve as Responsible Individual, provided the individual is not prohibited by law from serving in that capacity and fulfilling his or her obligations under this agreement.
- 10.03 *Beneficiary(ies):*
 1. Unless indicated otherwise on the Application, the Responsible Individual may not change the Designated Beneficiary. If the Grantor has indicated on the Application that the Responsible Individual may change the beneficiary designated under this agreement and the Responsible Individual chooses to do so, the Responsible Individual must designate a member of the family (as defined in Section 529(e)(2)) of the existing Designated Beneficiary. This designation can only be made on a form prescribed by the Trustee.
 2. The Grantor or Responsible Individual may name one or more person or entity as death beneficiary of this Coverdell ESA. This designation can only be made on a form prescribed by the Trustee and it will only be effective when it is filed with the Trustee during the lifetime of the Designated Beneficiary. Each beneficiary designation filed with the Trustee will cancel all previous ones unless the beneficiary designation specifies otherwise. The consent of a death beneficiary shall not be required in order to revoke a death beneficiary designation. If a death beneficiary is not designated with respect to this Coverdell ESA, the Designated Beneficiary's estate will be the death beneficiary.
- 10.04 *Investment of Amounts in the Coverdell ESA:* The Responsible Individual has exclusive responsibility for and control over the investment of the assets in the Coverdell ESA. All transactions shall be subject to any and

all restrictions or limitations, direct or indirect, which are imposed by the Trustee's charter, articles of incorporation, or bylaws; any and all applicable federal and state laws and regulations; the rules, regulations, customs, and usages of any exchange, market, or clearing house where the transaction is executed; the Trustee's policies and practices; and this agreement. After the death of the Designated Beneficiary, the Responsible Individual for the successor Designated Beneficiary shall have the right to direct the investment of the Coverdell ESA assets, subject to the same conditions that applied during the original Designated Beneficiary's lifetime under this agreement (including, without limitation, Section 10.02 of this article). The Trustee assumes no responsibility for rendering investment advice with respect to the Coverdell ESA, nor will the Trustee offer any opinion or judgment on matters concerning the value or suitability of any investment or proposed investment for the Coverdell ESA. In the absence of instructions from the Responsible Individual, or if the instructions are not in a form acceptable to the Trustee, the Trustee shall have the right to hold any uninvested amounts in cash and shall have no responsibility to invest uninvested cash unless and until directed by the Responsible Individual. The Trustee will not exercise the voting rights and other shareholder rights with respect to investments in the Coverdell ESA unless the Responsible Individual provides timely written directions acceptable to the Trustee.

The Responsible Individual will select the type of investment for the Coverdell ESA assets, provided, however, that the selection of investments shall be limited to those types of investments that the Trustee is authorized by its charter, articles of incorporation, or bylaws to offer, and does in fact offer for investment in Coverdell ESAs.

- 10.05 **Termination:** Either the Trustee or the Responsible Individual may terminate this agreement at any time by giving written notice to the other. The Trustee can resign as Trustee at any time effective 30 days after mailing written notice of its resignation to the Responsible Individual. Upon receipt of that notice, the Responsible Individual must make arrangements to transfer the Coverdell ESA to another financial organization. If the Responsible Individual does not complete a transfer of the Coverdell ESA within 30 days from the date the Trustee mails the notice to the Responsible Individual, the Trustee has the right to transfer the Coverdell ESA assets to a successor Coverdell ESA trustee or custodian that the Trustee chooses in its sole discretion, or the Trustee may pay the Coverdell ESA balance to the Designated Beneficiary in a single sum. The Trustee shall not be liable for any actions or failures to act on the part of any successor trustee or custodian nor for any tax consequences the Designated Beneficiary may incur that result from the transfer or distribution of the Coverdell ESA assets pursuant to this section.

If this agreement is terminated, the Trustee may hold back from the Coverdell ESA a reasonable amount of money that it believes is necessary to cover any one or more of the following:

- Any fees, expenses, or taxes chargeable against the Coverdell ESA;
- Any penalties associated with the early withdrawal of any savings instrument or other investment in the Coverdell ESA.

If the Trustee is merged with another organization (or comes under the control of any federal or state agency) or if the entire organization (or any portion which includes the Coverdell ESA) is bought by another organization, that organization (or agency) shall automatically become the trustee or custodian of the Coverdell ESA, but only if it is the type of organization authorized to serve as a Coverdell ESA trustee or custodian.

If the Trustee is required to comply with Section 1.408-2(e) of the Treasury Regulations and fails to do so, or the Trustee is not keeping the records, making the returns, or sending the statements as are required by forms or Regulations, the IRS may, after notifying the Responsible Individual or the Designated Beneficiary, require that a substitute trustee or custodian be appointed.

- 10.06 **Amendments:** The Trustee shall have the right to amend this agreement at any time. Any amendment the Trustee makes to comply with the Code and related Regulations does not require the consent of either the Responsible Individual or the Grantor. Notwithstanding anything in this agreement to the contrary, other amendments may be made with the consent of the Responsible Individual. The Responsible Individual will be deemed to have consented to any other amendment unless, within 30 days from the date the Trustee mails the amendment, the Responsible Individual notifies the Trustee in writing that the Responsible Individual does not consent.
- 10.07 **Transfers from Other Plans:** The Trustee can receive amounts transferred to the Coverdell ESA from the custodian or trustee of another Coverdell ESA.
- 10.08 **Liquidation of Assets:** The Trustee has the right to liquidate assets in the Coverdell ESA if necessary to make distributions or to pay fees, expenses, or taxes properly chargeable against the Coverdell ESA. If the Responsible Individual fails to direct the Trustee as to which assets to liquidate, the Trustee will decide in its complete and sole discretion and

the Responsible Individual agrees not to hold the Trustee liable for any adverse consequences that result from the Trustee's decision.

- 10.09 **Restrictions on the Fund:** Neither the Responsible Individual, the Designated Beneficiary (nor anyone acting on behalf of the Designated Beneficiary), the Grantor, nor any contributor may sell, transfer, or pledge any interest in the Coverdell ESA in any manner whatsoever, except as provided by law or this agreement.

The assets in the Coverdell ESA shall not be responsible for the debts, contracts, or torts of the Responsible Individual, the Designated Beneficiary, the Grantor, or any person entitled to distributions under this agreement.

- 10.10 **What Law Applies:** This agreement is subject to all applicable federal and state laws and regulations. If it is necessary to apply any state law to interpret and administer this agreement, the law of the Trustee's domicile shall govern.

If any part of this agreement is held to be illegal or invalid, the remaining parts shall not be affected. Neither the Responsible Individual's nor the Trustee's failure to enforce at any time or for any period of time any of the provisions of this agreement shall be construed as a waiver of such provisions or the parties' right thereafter to enforce each and every such provision.

Purpose of Form

Form 5305-E is a model trust account agreement that meets the requirements of Section 530(b)(1) and has been pre-approved by the IRS. A Coverdell Education Savings Account (ESA) is established after the form is fully executed by both the Grantor and the Trustee. This account must be created in the United States for the exclusive purpose of paying the qualified elementary, secondary, and higher education expenses of the Designated Beneficiary.

If the model account is a custodial account, see Form 5305-EA, *Coverdell Education Savings Custodial Account*.

Do not file Form 5305-E with the IRS. Instead, the Depositor must keep the completed form in its records.

Definitions

Trustee: The Trustee must be a bank or savings and loan association, as defined in Section 408(n), or any person who has the approval of the IRS to act as Trustee. Any person who may serve as a Trustee of a Traditional IRA may serve as the Trustee of a Coverdell ESA.

Grantor: The Grantor is the person who establishes the trust account.

Designated Beneficiary: The Designated Beneficiary is the individual on whose behalf the trust account has been established.

Family Member: Family Members of the Designated Beneficiary include his or her spouse, child, grandchild, sibling, parent, niece or nephew, son-in-law, daughter-in-law, father-in-law, mother-in-law, brother-in-law or sister-in-law, and the spouse of any such individual. A first cousin, but not his or her spouse, is also a "family member."

Responsible Individual: The Responsible Individual, generally, is a parent or guardian of the Designated Beneficiary. However, under certain circumstances, the Responsible Individual may be the Designated Beneficiary.

Identification Numbers

The Grantor's and Designated Beneficiary's Social Security numbers will serve as their identification numbers. If the Grantor is a non-resident alien and does not have an identification number, write "Foreign" in the block where the number is requested. The Designated Beneficiary's Social Security number is the identification number of his or her Coverdell ESA. If the Designated Beneficiary is a non-resident alien, the Designated Beneficiary's individual taxpayer identification number is the identification number of his or her Coverdell ESA. An employer identification number (EIN) is required only for a Coverdell ESA for which a return is filed to report unrelated business income. An EIN is required for a common fund created for Coverdell ESAs.

Specific Instructions

Note: *The age limitation restricting contributions, distributions, rollover contributions, and change of beneficiary are waived for a designated beneficiary with special needs.*

Article X: Article X and any that follow may incorporate additional provisions that are agreed to by the Grantor and Trustee to complete the agreement. They may include, for example, provisions relating to: definitions, investment powers, voting rights, exculpatory provisions, amendment and termination, removal of the Trustee, Trustee's fees, state law requirements, treatment of excess contributions, and prohibited transactions with the Grantor, Designated Beneficiary, or Responsible Individual, etc. Attach additional pages as necessary.

Optional Provisions in Article V and Article VI: Form 5305-E may be reproduced in a manner that provides only those optional provisions offered by the Trustee.

Disclosure Statement

Requirements of a Coverdell ESA

A. *Cash Contributions*—A Coverdell ESA contribution must be in cash. Stock certificates will not be allowed.

B. *Maximum Contribution*—The total amount that may be contributed to any and all Coverdell ESAs on behalf of a Designated Beneficiary is \$2,000 per year, excluding rollover and transfer contributions.

Contributions may not be made to a Coverdell ESA after the Designated Beneficiary's 18th birthday, except in the case of a special needs beneficiary.

The Coverdell ESA contribution that may be made by a Grantor is further limited if the Grantor's modified adjusted gross income (MAGI) exceeds \$190,000 and he or she is a married individual filing jointly (\$95,000 for single taxpayers). Married individuals filing jointly with MAGI exceeding \$220,000 may not fund a Coverdell ESA. Single individuals with MAGI exceeding \$110,000 may not fund a Coverdell ESA. The MAGI limits apply only to Grantors that are individuals.

If the Grantor is married filing jointly with MAGI between \$190,000 and \$220,000, the maximum Coverdell ESA contribution is determined as follows: (1) subtract the Grantor's MAGI from \$220,000, (2) divide the difference by \$30,000, and (3) multiply the result in step (2) by \$2,000. For example, if the Grantor's MAGI is \$205,000, the maximum Coverdell ESA contribution that may be made by such Grantor is \$1,000. This amount is determined as follows: [(\$220,000 minus \$205,000) divided by \$30,000] multiplied by \$2,000.

If the Grantor is a single tax filer with MAGI between \$95,000 and \$110,000, the maximum Coverdell ESA contribution is determined as follows: (1) subtract the Grantor's MAGI from \$110,000, (2) divide the difference by \$15,000, and (3) multiply the result in step (2) by \$2,000. For example, if the Grantor's MAGI is \$98,000, the maximum Coverdell ESA contribution that may be made by such Grantor is \$1,600. This amount is determined as follows: [(\$110,000 minus \$98,000) divided by \$15,000] multiplied by \$2,000.

The Coverdell ESA contribution that may be made by a Grantor is not limited by contributions made by the Grantor to Traditional or Roth IRAs. In addition, there is no earned income requirement to be eligible to contribute to a Coverdell ESA. There is no requirement that the Grantor be related to the Designated Beneficiary in order to make contributions. In addition, the Designated Beneficiary may contribute to his or her own Coverdell ESA.

C. *Eligible Trustees*—The Trustee of the Coverdell ESA must be a bank, savings and loan association, credit union, or person approved by the Secretary of the Treasury.

D. *Commingling Assets*—The assets of the Coverdell ESA cannot be commingled with other property except in a common trust fund or common investment fund.

E. *Life Insurance*—No portion of the Coverdell ESA may be invested in life insurance contracts.

F. *Collectibles*—The assets of the Coverdell ESA may not be invested in collectibles (within the meaning of Internal Revenue Code (IRC) section 408(m)). A collectible is defined as any work of art, rug or antique, metal or gem, stamp or coin, alcoholic beverage, or other tangible personal property specified by the Internal Revenue Service (IRS). However, specially minted United States gold and silver bullion coins and certain state-issued coins are permissible investments. Beginning January 1, 1998, platinum coins and certain gold, silver, platinum, or palladium bullion (as described in IRC section 408(m)(3)) are also permitted as Coverdell ESA investments.

G. *Required Distributions*—Except in the case of a special needs beneficiary, the assets of the Coverdell ESA are required to be distributed to the Designated Beneficiary within 30 days of the Designated Beneficiary's attainment of age 30. The Designated Beneficiary will be subject to both income tax and an additional 10 percent tax on the portion of the distribution that represents earnings, if the Designated Beneficiary does not have any qualified education expenses in that year.

Any balance remaining in the Coverdell ESA upon the death of the Designated Beneficiary shall be distributed within 30 days of the Designated Beneficiary's death, unless a death beneficiary is named and the death beneficiary is a qualified family member under age 30. If the death beneficiary is a qualified family member under age 30, that individual will become the Designated Beneficiary as of the date of death.

H. *Responsible Individual*—The Responsible Individual is generally the parent or guardian of the Designated Beneficiary. However, the financial organization may establish a policy that permits someone other than the Designated Beneficiary's parent or legal guardian to serve as the Responsible Individual. Unless otherwise indicated on the Application, the Responsible Individual may not change the Designated Beneficiary. If the Grantor has indicated on the Application that the Responsible Individual may change the Designated Beneficiary, the Responsible Individual may change the Designated Beneficiary to another member of the Designated Beneficiary's family. The Responsible Individual shall perform the following duties:

1. Receive a copy of the plan agreement and disclosure statement.
2. Direct the Trustee regarding the investment of contributions, including the ability to redirect the investment of the initial contribution.
3. Direct the Trustee regarding the administration, management, and distribution of the account, unless the plan agreement indicates otherwise.
4. Name a successor Responsible Individual if the need arises.
5. Notify the Trustee of any address change for the individuals identified on the plan agreement.
6. Remove excess contributions made to the Coverdell ESA.

Income Tax Consequences of Establishing a Coverdell ESA

A. *Contributions Not Deducted*—No deduction is allowed for Coverdell ESA contributions, including transfer and rollover contributions.

B. *Tax-Deferred Earnings*—The investment earnings of the Coverdell ESA are not subject to federal income tax as they accumulate in the Coverdell ESA. In addition, distributions of the Coverdell ESA earnings will be free from federal income tax if the distributions are taken to pay for qualified education expenses, as discussed below.

C. *Taxation of Distributions*—The taxation of distributions from the Coverdell ESA depends on whether or not the distributions are used for qualified education expenses.

1. *Qualified Education Expenses*—The Designated Beneficiary may take tax-free distributions from a Coverdell ESA to pay for elementary, secondary, or post-secondary education expenses at an eligible educational institution. Such expenses include tuition, fees, books, supplies, special needs services, room and board, uniforms, transportation, academic tutoring, and supplementary items or services (including extended day programs). Also qualifying are expenses for the purchase of computer technology or equipment, Internet access, and related services, if such technology, equipment, or services are to be used by the Designated Beneficiary or Designated Beneficiary's family during any of the years the Designated Beneficiary is in school. Qualified expenses may also include amounts contributed to a qualified tuition program.

2. *Nonqualifying Distributions*—If a Designated Beneficiary withdraws amounts from a Coverdell ESA which exceed the qualified education expenses for the same year, or the distributions are not used for qualified education expenses, a portion of the distributions will be taxable. The amount in excess of the qualified education expenses is taxable pro rata, based on the earnings and the basis in the account.

In most cases of a nonqualified distribution, the taxable portion of a Coverdell ESA distribution is also subject to an additional 10 percent tax. There are several exceptions to the 10 percent tax including distributions made payable:

- a. To a designated death beneficiary of the Coverdell ESA or to the estate of the Designated Beneficiary following the death of the Designated Beneficiary;
- b. To the Designated Beneficiary if the Designated Beneficiary is disabled;
- c. To the Designated Beneficiary if the Designated Beneficiary received a qualified scholarship, an educational assistance allowance, or an excludable payment exception, but only to the extent the distribution is not more than the amount of the scholarship, allowance, or excludable payment; and
- d. To the Designated Beneficiary as a removal of excess along with the net income attributable.

3. *Hope or Lifetime Learning Credits*—A Designated Beneficiary may claim the Hope Credit or the Lifetime Learning Credit on his or her federal income tax return in the same taxable year that a tax-free distribution from a Coverdell ESA is claimed, as long as the distribution(s) does not cover the same expenses claimed for the Hope Credit or Lifetime Learning Credit.

D. *Rollovers*—Coverdell ESA amounts may be rolled over to another Coverdell ESA of the same Designated Beneficiary or that of a qualified family member, provided that all of the applicable rollover rules are followed. Rollover is a term used to describe a tax-free movement of cash to a Coverdell ESA from another Coverdell ESA. The rollover rules are generally summarized below. These transactions are often complex. If you have any questions regarding a rollover, please see a competent tax advisor.

1. *Coverdell ESA to Coverdell ESA Rollovers*—Funds distributed from a Coverdell ESA may be rolled over to another Coverdell ESA of the same Designated Beneficiary or that of a qualifying family member if the requirements of IRC section 530(d)(5) are met. A proper Coverdell ESA to Coverdell ESA rollover is completed if all or part of a distribution is rolled over not later than 60 days after the distribution is received. The Responsible Individual may not have completed another rollover from the distributing Coverdell ESA during the 12 months preceding the date

the distribution was received. Further, the Responsible Individual may roll the same dollars or assets only once every 12 months.

2. **Qualified Family Member**—A Coverdell ESA may be rolled to another Coverdell ESA of the same Designated Beneficiary or to a Coverdell ESA maintained for the benefit of a qualified family member of the Designated Beneficiary, who is under the age of 30. The age 30 limitation does not apply to qualified family members who are special needs beneficiaries. Qualified family members of the Designated Beneficiary include the Designated Beneficiary's child, grandchild, stepchild, brother, sister, stepbrother or stepsister, nephew or niece, parents, stepparents, grandparents, uncle or aunt, spouses of all family members listed above, cousin, and Designated Beneficiary's spouse.
3. **Rollover of Military Death Benefits**—If you receive or have received a military death gratuity or a payment from the Servicemembers' Group Life Insurance (SGLI) program, you may be able to roll over the proceeds to your Coverdell ESA. The rollover contribution amount is limited to the sum of the death benefits or SGLI payment received, less any such amount that was rolled over to a Roth IRA. Proceeds must be rolled over within one year of receipt of the gratuity or SGLI payment for deaths occurring on or after June 17, 2008. For deaths occurring between October 7, 2001 and June 17, 2008, proceeds may be rolled over no later than one year from June 17, 2008. Any amount that is rolled over under this provision is considered nontaxable basis in the Coverdell ESA.
- E. **Carryback Contributions**—A contribution is deemed to have been made on the last day of the preceding taxable year if it is made by the deadline for filing the Grantor's income tax return (not including extensions), and the Grantor designates that contribution as a contribution for the preceding taxable year. For example, if the Grantor is a calendar-year filer and makes a Coverdell ESA contribution on or before April 15, the contribution is considered to have been made for the previous tax year if the Grantor designates it as such.

Limitations and Restrictions

- A. **Prohibited Transactions**—If the Responsible Individual engages in a prohibited transaction with the Coverdell ESA as described in IRC section 4975, the Coverdell ESA will lose its tax-exempt status and the Designated Beneficiary must generally include the value of the earnings in his or her account in his or her gross income for the year.
- B. **Pledging**—If the Responsible Individual pledges any portion of the Coverdell ESA as collateral for a loan, the amount so pledged will be treated as a distribution and may be included in the Designated Beneficiary's gross income for that year to the extent that it represents earnings.
- C. **Estate and Gift Tax**—Transfers of Coverdell ESA assets to a death designated beneficiary made during the Designated Beneficiary's life and at his or her request or because of the Designated Beneficiary's failure to instruct otherwise may be subject to federal gift tax under IRC section 2501 if made after October 22, 1986.
- D. **Income Tax Treatment**—Any withdrawal from the Coverdell ESA is not subject to federal income tax withholding.

Federal Tax Penalties

- A. **Excess Contribution Penalty**—An excise tax of 6 percent is imposed upon any excess contribution made to a Coverdell ESA. This tax will apply each year in which an excess remains in the Coverdell ESA. An excess contribution is any contribution amount which exceeds the contribution limit, excluding rollover and direct transfer amounts. The contribution limit is \$2,000 per Designated Beneficiary per year. The contribution limit may be further limited by the Grantor's MAGI as discussed previously. The excess contribution should be removed by the Responsible Individual and made payable to the Designated Beneficiary.
- B. **Penalty Reporting**—The Designated Beneficiary must file form 5329 with the Internal Revenue Service to report and remit any penalties for excise taxes.

Other

- A. **IRS Plan Approval**—The agreement used to establish this Coverdell ESA has been approved by the IRS. The IRS approval is a determination only as to form. It is not an endorsement of the plan in operation or of the investments offered.
- B. **Additional Information**—You may obtain further information on Coverdell ESAs from your District Office of the IRS. In particular, you may wish to obtain IRS Publication 970, *Tax Benefits For Higher Education*, by calling 1-800-TAX-FORM or by visiting www.irs.gov on the Internet.
- C. **Important Information About Procedures for Opening a New Account**—To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial organizations to obtain, verify, and record information that identifies each person who opens an account. *What this means for you:* When you open an account, you are required to provide your name, residential address, date of birth, and identification number. We may require other information that will allow us to identify you.

Navy Federal Education Savings Account (ESA) Investment Information, Fees, and Penalties

Navy Federal has no annual service fee for maintaining your Education Savings Account (ESA). Navy Federal does require that each Navy Federal Education Savings Account beneficiary maintain a regular Navy Federal Credit Union savings account.

ESA Disclosure Statement

ESA Savings and ESA Money Market Savings Account (MMSA) Dividends:

The ESA MMSA does not earn/accrue dividends on days when the account balance falls below \$2,500. The ESA Jumbo MMSA will earn dividends at the ESA savings rate on balances from \$0-\$99,999.99. Balances of \$100,000 or greater will earn the ESA Jumbo MMSA rate. Dividends are a division and distribution of earnings among members after all expenses have been paid and the required amount has been set aside for reserves. Navy Federal also provides the Annual Percentage Yield (APY) for each dividend rate declared by the Board. Rates are subject to change weekly. Payment of all dividends is dependent on the availability of earnings at the end of the period. Dividends at Navy Federal are earned on deposits from day-of-deposit to day-of-withdrawal at the specified rate. Dividends for ESAs and ESA MMSAs are credited the last day of the period they are earned and are compounded monthly.

ESA Certificate Dividends: The ESA Certificate has a minimum balance requirement and will earn dividends for each monthly dividend period at the dividend rate and APY specified. Dividends are a division and distribution of earnings among members, after all expenses have been paid and the required amount has been set aside for reserves. Payment of all dividends is dependent on the availability of earnings at the end of the period. Dividends are earned from day-of-deposit to day-of-withdrawal at the specified rate. Dividends are computed using the daily balance method by applying the daily periodic rate for the full amount in your account at the end of each day. Dividends are credited on the last calendar day of each month in which they are earned unless another dividend distribution option has been chosen. The APY assumes dividends remain in the account until maturity. Early withdrawals reduce earnings. Rates for three-year Variable Rate Certificates may change on the Certificate's anniversary dates (at 12 and 24 months) and are based on the one-year Constant Maturity Treasury (CMT). Navy Federal guarantees that the Certificate's dividend rate will never decrease more than one-half percentage point (0.50%) below the dividend rate at the time the Certificate was purchased or renewed, and there is no upper limitation on dividend rate changes.

Penalties for Early Withdrawal: (a) If the term to maturity is one year (or less), the amount forfeited is equal to the lesser of: (1) all dividends for 90 days on the amount withdrawn, or (2) all dividends on the amount withdrawn since the date of issuance or renewal. (b) If the term to maturity is greater than one year, the amount forfeited is equal to the lesser of: (1) all dividends for 180 days on the amount withdrawn, or (2) all dividends on the amount withdrawn since the date of issuance or renewal. (c) If the term to maturity is greater than five years, the amount forfeited is equal to the lesser of: (1) all dividends for 365 days on the amount withdrawn, or (2) all dividends on the amount withdrawn since the date of issuance or renewal. (d) In the case of an early withdrawal that brings the remaining Certificate balance lower than the minimum balance requirement, the Certificate will be closed, and the above penalties will be imposed on the entire principal amount. (e) In accordance with Federal Reserve Regulation D, withdrawals made within the first six days of a new Certificate purchase (not renewed) are subject to a seven-day, early-withdrawal dividend penalty. (f) There are no ESA savings or ESA MMSA penalties for early withdrawal. (g) The IRS imposes penalties for non-qualified withdrawal purposes for ESAs.

Special and Limited Offerings: Navy Federal may offer "Limited Time or Special Certificate Offerings." Navy Federal will provide a notice to the owner specifying the terms, conditions, or any additional requirements.

Penalty Exceptions: Penalties will not be applied to any of the following: (a) withdrawals of dividend payments only, (b) withdrawals subsequent to the death of any owner of the ESA Certificate, (c) withdrawals made as a result of the voluntary or involuntary liquidation of the Credit Union.

Maturing Certificates: At least 20 days prior to each ESA Certificate's maturity, Navy Federal will provide a notice specifying the terms under which the Credit Union proposes to renew the ESA Certificate or otherwise make the funds available to the owner. Each ESA Certificate will be automatically renewed as specified in the maturity notice unless the owner notifies Navy Federal to the contrary on or before the maturity date.

Grace Period: You have 14 calendar days after the maturity date to change the conditions under which the ESA Certificate will be renewed. During this period, the balance in the ESA Certificate will earn dividends at the prevailing offering rate. If no changes are made within this period, your ESA Certificate will be renewed for the same term and will continue earning at the prevailing rate.

Insurance: Separate from your share accounts, ESAs and ESA MMSAs combined with ESA Certificates are insured up to \$250,000 by the National Credit Union Administration (NCUA), a U.S. government agency.

Governing Laws: Your Navy Federal accounts are maintained and governed in accordance with federal law and the laws of the Commonwealth of Virginia, as amended. Property may be transferred to the appropriate state if there has been no activity within the time period specified by state law.

Transferability: Navy Federal ESA Certificates are not transferable, are not negotiable, and may not be pledged as collateral on a loan.

Final Payment: All non-cash purchases will be credited subject to final payment.

Change in Terms: Navy Federal reserves the right to discontinue or change the terms of ESA Certificate offerings within 30 days prior notice; however, once issued, the terms of an ESA Certificate may not be changed without the owner's consent.

Note: This account is subject to all terms and provisions defined in NFCU 602B (for ESAs).

Deposits and Transfers/Withdrawals: You may make additional deposits to ESAs or ESA MMSAs at any time. If your ESA Certificate accepts additional deposits and the ESA Certificate has not exceeded its maximum balance, additional deposits can be made by cash, check, Direct Deposit, allotment, or periodic transfer(s) from a Navy Federal savings account, checking account, or

MMSA. Federal Reserve Regulation D limits the number of pre-authorized, automatic, or telephone transfers or withdrawals to no more than a total of six per month, and penalties as discussed above may apply. However, you are not restricted to the number of withdrawals from an ESA Certificate if you do it in person or by mail.
