*Withdrawals from your IRA may be subject to federal income tax withholding unless you check the "No Withholding" box. If neither box is checked, Navy Federal will withhold 10% of the withdrawal for federal income tax. Qualified withdrawals from a Roth are not taxable. If you are a resident of Virginia, you may elect to withhold Virginia state income tax. If you elect not to have withholding applied to your withdrawals, you may be responsible for payments of estimated tax. You may incur penalties under the estimated tax rules if your withholding and estimated tax payments are not sufficient. Non-qualified withdrawals from a Roth may be taxable.
