The Margin is determined based on an evaluation of each member’s credit history. The Margin will range from 5.74% to 14.74%.

**Security Interest Specific for Credit Cards: If you are approved for a credit card, you acknowledge and pledge, specifically as a condition of your use of the credit card, that you have voluntarily granted Navy Federal a security interest in all of your individual and joint share accounts at Navy Federal. If your credit card loan becomes delinquent, this security interest may be used without further notice to pay all or part of such delinquency. This security interest does not apply to shares in an Individual Retirement Account (IRA).**

Ohio Residents: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy customers and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law.

Wisconsin Residents: Wisconsin law provides that any agreement, unilateral statement, or court decree relating to marital property may not adversely affect a creditor’s interest, unless prior to the time credit is granted, the creditor is furnished a copy of the agreement, statement, or decree, or has actual knowledge of the adverse provision.
