As used in this Program Description, the following definitions apply: “Card” refers to a Navy Federal More Rewards American Express® Card.

“Cardmember,” “you,” and “your” refer to any natural person who holds a valid Navy Federal More Rewards American Express® Card account.

“Account” refers to a Cardmember’s Navy Federal More Rewards American Express® Card account, which is established to keep a record of reward points earned, redeemed, credited, or adjusted.

“Program” refers to the Navy Federal More Rewards program.

This Navy Federal More Rewards American Express® Card Program Description contains the terms and conditions for participation in the Program. Please read the following terms and conditions, and keep this Program Description for your records. By using your Card, you agree to all the terms and conditions within this Program Description.

1. Navy Federal More Rewards American Express® Cardmembers will earn 3x points per \$1 spent with the Card at supermarkets, 3x points per \$1 spent on gas, 2x points per \$1 spent on restaurants, and 1 point per \$1 spent everywhere else American Express cards are welcomed. “Net purchases” means the sum of your eligible purchase transactions minus returns and refunds. For example, if you purchase eligible merchandise for \$100, but later

return \$20 of merchandise from that purchase, you will receive rewards based on a “net” purchase amount of \$80. Eligible purchase transactions do not include, and rewards are not earned for, the following transactions: cash advances; convenience checks; balance transfers; or fees of any kind, including finance charges, late fees, returned check fees, ATM transaction fees, and foreign transaction fees. Navy Federal cash equivalent transactions, such as the purchase, loading, or re-loading of Navy Federal gift and prepaid cards (e.g., Navy Federal gift cards, American Express Gift Cards, GO Prepaid Cards), are also not eligible purchase transactions and do not earn rewards. A Navy Federal More Rewards American Express® Card, supermarket, gas, or restaurant purchase may only earn 1 point per dollar spent if:

- the merchant’s code is not categorized as a supermarket, gas, or restaurant purchase, even if the product or service you purchase appears to qualify for the additional points;
- the merchant uses a mobile or wireless card reader, or if the purchase is made with an electronic wallet (e.g., Google Wallet™) or through a third party (e.g., PayPal™); or
- the purchase is not made directly from the provider of the goods or services.

Navy Federal reserves the right to amend the types of transactions that qualify to earn points, including special reward promotions that may be offered, from time to time.

2. Points cannot be earned until a Navy Federal More Rewards American Express® Card account has been established. Only accounts enrolled in Navy Federal More Rewards American Express® Card will qualify to accumulate points. No retroactive credit will be provided. Points are not transferable between Navy Federal rewards programs.
3. Navy Federal More Rewards American Express® Card is not associated with any other credit card or rewards program offered by Navy Federal or any third party. Reward points may not be used in conjunction with any other discount or coupon offer.
4. There are no monthly or annual caps on points earned.
5. Points earned are updated on the date the eligible transaction posts to your account. Points may be used for reward redemptions once they have been credited to the account.
7. Points may be redeemed by accessing your Navy Federal More Rewards American Express® Card account at **navyfederal.org** or by calling Navy Federal and accessing your rewards information. Call toll-free in the U.S. at 1-888-842-6328. For toll-free numbers when overseas, visit **navyfederal.org**. Use 1-703-255-8837 for collect international calls. Check your Navy Federal More Rewards American Express® Card point balance and redemption history through the Navy Federal app, available on iPhone®, iPad®, Android™, and Kindle Fire. The Navy Federal More Rewards American Express® Card Service Center is closed on the following observed holidays: New Year’s Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving, Christmas, and such other days as shall be determined from time to time by Navy Federal.

8. In order to redeem points, your Navy Federal More Rewards American Express® Card account must be open and current. Points cannot be earned or redeemed on delinquent accounts until the account status is in good standing. Navy Federal reserves the right to determine whether your account meets these qualifications. Points on accounts closed by Navy Federal are forfeited and no longer eligible for redemption. If you choose to close your account, points must be redeemed at time of closure, or else rewards earned by that account will be forfeited. To request redemption and closure, please call 1-888-842-6328.
9. Only the primary Cardmember or an additional Cardmember (if any) of a Navy Federal More Rewards American Express® Card account may request to redeem reward points. Cardmembers who have more than one Navy Federal More Rewards American Express® Card account may not combine reward points. A Cardmember must pass verification by Navy Federal (or any agent acting on behalf of Navy Federal) in order to redeem reward points. Navy Federal reserves the right to determine, in its absolute discretion, whether a Cardmember has been satisfactorily identified.
10. Reward points are the property of Navy Federal. Reward points have no cash value and cannot be purchased, sold, transferred, bartered, or assigned in any way (including upon death, divorce, or a bankruptcy filing). A Cardmember is not entitled to compensation from Navy Federal or any other entity if reward points are forfeited or a Navy Federal More Rewards American Express® Card account is terminated for any reason.
11. Navy Federal reserves the right to prohibit any Cardmember from participating in the Program. Navy Federal, in its sole discretion, reserves the right to suspend or cancel participation in the Program and declare all rewards forfeited in the event a Cardmember is suspected of, or has committed, fraud or a violation of the Program Description or Navy Federal Credit Card Agreement. Unauthorized transactions will not earn rewards.
12. Determination of tax liability (if any) is the sole responsibility of the Cardmember.
13. Administrative point management, redemption, and reward fulfillment services are provided by TSYS Loyalty. TSYS Loyalty assumes all liability and responsibility for the provision of services. TSYS Loyalty operates as an independent contractor and is not affiliated with Navy Federal. Neither Navy Federal nor TSYS Loyalty shall be liable for any bodily harm, property damage, and/or loss that may result from participation in the Program or a service provider's lack of provision or failure to provide services, for any reason.
14. Navy Federal reserves the right to amend, modify, or change this Program Description and the reward offerings at any time and without prior notice. For example and without limitation, Navy Federal may amend or omit some or all of the Program membership levels, change the number of reward points awarded for eligible Card transactions or required to redeem rewards, or discontinue offering particular rewards. Navy Federal also reserves the right

to terminate the Program at any time without prior notice. If we do make any changes to this Program Description guide, we will post an updated copy on [https://www.navyfederal.org/pdf/creditcards/NFCU\\_821AMEX.pdf](https://www.navyfederal.org/pdf/creditcards/NFCU_821AMEX.pdf).

15. The reward requested by the Cardmember may be subject to reward-specific conditions, restrictions, limitations, and/or terms. The following paragraphs identify the general conditions, restrictions, limitations, and/or terms applicable to specific rewards and are not intended to be considered an exhaustive recitation of all such conditions, restrictions, limitations, and/or terms that may govern the use of specific reward items. Reward item conditions, restrictions, limitations, and/or terms may change from time to time and may not be specifically reflected in this document or other Program communications. Cardmembers will be subject to all conditions, restrictions, limitations, and/or applicable terms or governmental actions relating to the specific reward at the time of redemption. Conditions, restrictions, limitations, and/or terms placed in Program communications and listed on or attached to the reward item are binding on the Cardmember.
16. All rewards are subject to availability, and specific rewards may only be available for certain dates.
17. Upon the death of a Cardmember, a surviving joint Cardmember, if any, becomes the sole Card account owner, and all previously earned rewards are available for redemption to the surviving joint Cardmember. If there are no surviving joint Cardmembers, but the deceased is survived by an authorized user on the Card account, the authorized user is not eligible to redeem previously earned rewards. The authorized user may, however, redeem the rewards if he or she applies and is approved to assume the Card account balance. To be approved to assume the Card account, the authorized user must submit an application for a Card account and be approved for a credit line equal to or greater than the amount of the remaining account balance. If approved, the authorized user will be liable for the remaining account balance. Authorized users seeking to assume an account balance should carefully consider whether the value of the earned rewards outweighs the liability of the remaining account balance. If there are no surviving joint Cardmembers or authorized users, earned rewards are forfeited. The deceased's estate, regardless of how it is established, is not eligible to redeem or receive rewards earned on the Card account.

### **Airline Tickets**

18. Navy Federal More Rewards American Express® Card points may be redeemed for airline tickets. Please see examples below:

Additional costs, such as expedited delivery, are at the Cardmember's expense. Reservation and ticketing must be completed at time of redemption. Round-trip tickets must be booked on the same airline.

Reservations for tickets exclude the use of charters, wholesalers, consolidators, and any internet fares that are not published, available through the global distribution system, or available for ticketing through a certified travel agency. Tickets may be purchased in any individual's name, but the ticket will be sent to the Cardmember's mailing address for security reasons. Airline tickets may not be used in conjunction with any type of coupons, vouchers, internet fares, or companion fares. Any changes to a travel reservation must be made directly with the corresponding airline and are subject to penalty fees or other charges enforced by that carrier. The Cardmember may be subject to customs fees, excess baggage charges, or any other charges assessed by governmental entities as a result of travel.

Neither Navy Federal nor TSYS Loyalty will be responsible for notifying the Cardmember of airline schedule changes. Same-day air travel is not available. Traveler should confirm flight reservations at least 72 hours prior to departure. Cardmembers are responsible for obtaining the appropriate international travel documentation, such as passports and visas. All travelers must have valid photo identification upon check-in.
