As used in this Program Description, the following definitions apply: “Card” refers to a Navy Federal-issued **BUSINESS REWARDS** card.

“Cardholder,” “you,” and “your” refer to any natural person who holds a valid Navy Federal-issued **BUSINESS REWARDS** card.

“Account” refers to a Cardholder’s **BUSINESS REWARDS** account, which is established to keep a record of reward points earned, redeemed, credited, or adjusted.

“Program” refers to the Navy Federal **BUSINESS REWARDS** program.

The Navy Federal **BUSINESS REWARDS** Program Description contains the terms and conditions for participation in the **BUSINESS REWARDS** Program. Please read the following terms and conditions and keep this Program Description for your records. By using your card, you agree to all of the terms and conditions within this Program Description.

1. Navy Federal **BUSINESS REWARDS** Cardholders will earn one point for every \$1 of eligible net purchases made with a Navy Federal **BUSINESS REWARDS** card. “Net purchases” means the sum of your eligible purchase transactions minus returns and refunds. For example, if you purchase merchandise for \$100, but later return \$20 of merchandise from that purchase, you will receive rewards based on a “net” purchase amount of \$80. Points are not earned for cash

advances, convenience checks, balance transfers, or fees of any kind, including but not limited to, finance charges, late fees, returned check fees, and ATM transaction fees. In addition, Navy Federal cash equivalent transactions, such as the purchase, loading, or re-loading of Navy Federal gift and prepaid cards (e.g., Navy Federal gift cards, Visa Buxx Cards, GO Prepaid Cards), do not earn rewards. Navy Federal reserves the right to amend the types of transactions that qualify to earn points, including special reward promotions that may be offered from time to time.

2. Points cannot be earned until a **BUSINESS REWARDS** account has been established. Only accounts enrolled in **BUSINESS REWARDS** will qualify to accumulate points. No retroactive credit will be provided. Points are not transferable between Navy Federal rewards programs.
3. **BUSINESS REWARDS** is not associated with any other credit card or rewards program offered by Navy Federal or any third party. Reward points may not be used in conjunction with any other discount or coupon offer.
4. There are no monthly or annual caps on points earned.
5. Points earned are updated on the date the eligible transaction posts to your account. Points may be used for reward redemptions once they have been credited to the account.
6. Points expire four years from the month in which they were earned.
7. Points may be redeemed by accessing your account on **navyfederal.org** or by calling Navy Federal and accessing your rewards information. Call toll-free in the U.S. at 1-888-842-6328. For toll-free numbers when overseas, visit **navyfederal.org**. Use 1-703-255-8837 for collect international calls. Check your **BUSINESS REWARDS** point balance and redemption history through the Navy Federal app, available on iPhone®, iPad®, Android™, and Kindle Fire. The Navy Federal **BUSINESS REWARDS** Service Center is closed on the following observed holidays: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving, Christmas, and such other days as shall be determined from time to time by Navy Federal.
8. In order to redeem points, your **BUSINESS REWARDS** account must be open or current. Points cannot be earned or redeemed on delinquent accounts until the account status is in good standing. Navy Federal reserves the right to determine whether your card meets these qualifications. Points on accounts closed by Navy Federal are forfeited and no longer eligible for redemption. If you choose to close your account, points must be redeemed at time of closure, or else rewards earned by that account will be forfeited. To request redemption and closure, please call 1-888-842-6328.
9. Only the primary Cardholder or the joint Cardholder (if any) of a **BUSINESS REWARDS** account may request to redeem reward points. Cardholders who have more than one Navy Federal **BUSINESS REWARDS** account may not combine reward points. A Cardholder must pass verification by

Navy Federal (or any agent acting on behalf of Navy Federal) in order to redeem reward points. Navy Federal reserves the right to determine, in its absolute discretion, whether a Cardholder has been satisfactorily identified.

10. Reward points are the property of Navy Federal. Reward points have no cash value and cannot be purchased, sold, transferred, bartered, or assigned in any way (including upon death, divorce, or a bankruptcy filing). A Cardholder is not entitled to compensation from Navy Federal or any other entity if reward points are forfeited or a **BUSINESS REWARDS** account is terminated for any reason.
11. Navy Federal reserves the right to prohibit any Cardholder from participating in the Program. Navy Federal, in its sole discretion, reserves the right to suspend or cancel participation in the Program and declare all rewards forfeited in the event a Cardholder is suspected of, or has committed, fraud or a violation of the Program Description or Navy Federal Credit Card Agreement. Unauthorized transactions will not earn rewards.
12. Determination of tax liability (if any) is the sole responsibility of the Cardholder.
13. Administrative point management, redemption, and reward fulfillment services are provided by TSYS Loyalty. TSYS Loyalty assumes all liability and responsibility for the provision of services. TSYS Loyalty operates as an independent contractor and is not affiliated with Navy Federal. Neither Navy Federal nor TSYS Loyalty shall be liable for any bodily harm, property damage, and/or loss that may result from participation in the Program or a service provider's lack of provision or failure to provide services, for any reason.
14. Navy Federal reserves the right to amend, modify, or change this Program Description and the reward offerings at any time and without prior notice. For example and without limitation, Navy Federal may amend or omit some or all of the Program membership levels, change the number of reward points awarded for eligible card transactions or required to redeem rewards, or discontinue offering particular rewards. Navy Federal also reserves the right to terminate the Program at any time without prior notice. If we do make any changes to this Program Description guide, we will post an updated copy on [https://www.navyfederal.org/pdf/creditcards/NFCU\\_825CC.pdf](https://www.navyfederal.org/pdf/creditcards/NFCU_825CC.pdf).
15. The reward requested by the Cardholder may be subject to reward-specific conditions, restrictions, limitations, and/or terms. The following paragraphs identify the general conditions, restrictions, limitations, and/or terms applicable to specific rewards and are not intended to be considered an exhaustive recitation of all such conditions, restrictions, limitations, and/or terms that may govern the use of specific reward items. Reward item conditions, restrictions, limitations, and/or terms may change from time to time and may not be specifically reflected in this document or other Program communications. Cardholders will be subject to all conditions, restrictions, limitations, and/or applicable terms or governmental actions relating to the specific reward at the time of redemption. Conditions, restrictions, limitations, and/or terms placed in Program

communications and listed on or attached to the reward item are binding on the Cardholder.

16. All rewards are subject to availability, and specific rewards may only be available for certain dates.
17. Upon the death of a Cardholder, a surviving joint Cardholder, if any, becomes the sole credit card account owner, and all previously earned rewards are available for redemption to the surviving joint Cardholder. If there are no surviving joint Cardholders, but the deceased is survived by an authorized user on the credit card account, the authorized user is not eligible to redeem previously earned rewards. The authorized user may, however, redeem the rewards if he or she applies and is approved to assume the credit card account balance. To be approved to assume the credit card account balance, the authorized user must submit an application for a credit card account and be approved for a credit line equal to or greater than the amount of the remaining account balance. If approved, the authorized user will be liable for the remaining account balance. Authorized users seeking to assume an account balance should carefully consider whether the value of the earned rewards outweighs the liability of the remaining account balance. If there are no surviving joint Cardholders or authorized users, earned rewards are forfeited. The deceased's estate, regardless of how it is established, is not eligible to redeem or receive rewards earned on the credit card account.
