Mastercard Coverage

A. To Get Coverage
You must initiate and then pay for the entire rental agreement (tax, gasoline, and airport fees are not considered rental charges) with your covered card and/or the accumulated points from your covered card at the time the vehicle is returned. If a rental company promotion/discount of any kind is initially applied toward payment of the rental vehicle, at least one (1) full day of rental must be billed to your covered card.

You must decline the optional collision/damage waiver (or similar coverage) offered by the rental company. You must rent the vehicle in your own name and sign the rental agreement.

Your rental agreement must be for a rental period of no more than fifteen (15) consecutive days. Rental periods that exceed or are intended to exceed fifteen (15) consecutive days are not covered.

B. The Kind of Coverage You Receive
We will pay for the following on a secondary basis:

- Physical damage and theft of the vehicle, not to exceed the limits outlined below
- Reasonable loss-of-use charges imposed by the vehicle rental company for the period of time the rental vehicle is out of service. Loss-of-use charges must be substantiated by a location and class-specific fleet utilization log.
- Towing charges to the nearest collision repair facility

This coverage is not all-inclusive, which means it does not cover such things as personal injury, personal liability, or personal property. It does not cover you for any damages to other vehicles or property. It does not cover you for any injury to any party.

C. Coordination of Benefits
When MasterRental is provided on a secondary basis and a covered loss has occurred, the order in which benefits are determined shall be made as follows:

1. You or an authorized driver’s primary auto insurance
2. Collision/damage waiver provided to you by the rental agency
3. Any other collectible insurance
4. The coverage provided under this EOC

If you or an authorized driver’s primary auto insurance or other coverage has made payments for a covered loss, we will cover your deductible and any other eligible amounts, described under the kind of coverage you receive, not covered by the other insurance.

Note: In certain parts of the United States and Canada, losses to rental vehicles that are covered by your personal vehicle liability insurance policy may not be subject to a deductible, which means that you may not be eligible to receive any coverage under this program. Contact your insurance provider for full coverage details pertaining to your personal vehicle liability insurance policy (or similar coverage). If you have no other insurance or your insurance does not cover you in territories or countries outside of the United States, coverage is considered primary coverage subject to any applicable economic and trade sanctions conditions.

 Whenever coverage provided by this policy would be in violation of any economic or trade sanctions, such coverage shall be null and void.
