NAVY FEDERAL’S nRewards® Card
PROGRAM DESCRIPTION
As used in this Program Description, the following definitions apply:

“Card” refers to a Navy Federal-issued nRewards card.

“Cardholder,” “You,” and “Your” refers to any natural person who holds a valid Navy Federal-issued nRewards card.

“Account” refers to a Cardholder’s nRewards account, which is established to keep a record of reward points earned, redeemed, credited, or adjusted.

“Program” refers to the Navy Federal nRewards program.

The Navy Federal nRewards Program Description contains the Terms and Conditions for participation in the nRewards Program. Please read the following Terms and Conditions and keep this Program Description for your records. By using your card, you agree to all the Terms and Conditions within this Program Description.

1. Active Navy Federal nRewards Cardholders will earn one point for every $1 of eligible net purchases made with a Navy Federal nRewards card. “Net purchases” means the sum of your eligible purchase transactions minus returns and refunds. For example, if you purchase merchandise for $100, but later return $20 of merchandise from that purchase, you will receive rewards based on a “net” purchase amount of $80. Points are not earned for cash advances, convenience checks, balance transfers, or fees of any kind, including, but not limited to, annual fees, finance charges, late fees, returned check fees, and ATM cash advance fees. Cash equivalent transactions, such as the purchase, loading, or re-loading of gift and prepaid cards (e.g., money orders, Visa® Buxx Cards, GO Prepaid Cards and other cash-equivalent gift cards), may not be eligible purchase transactions and may not earn rewards. Navy Federal reserves the right to amend the types of transactions that qualify to earn points, including special reward promotions that may be offered from time to time.

2. Points cannot be earned until an nRewards card account number has been assigned. Only accounts enrolled in nRewards will qualify to accumulate points. No retroactive credit will be provided. Points are not transferable between Navy Federal rewards programs.

3. nRewards is not associated with any other credit card or rewards program offered by Navy Federal or any third party. Reward points may not be used in conjunction with any other discount or coupon offer.

4. There are no monthly or annual caps on points earned.

5. Points earned are updated on the Cardholder’s account on the posting date of the eligible card transaction. Points may be used for rewards redemptions once they have been credited to the account.

6. Points expire four years from the month in which they were earned, as long as the account is open.

7. Points may be redeemed by signing into online banking at navyfederal.org or by calling Navy Federal and accessing your rewards information. Call toll-free in the U.S. at 1-800-381-9042. For toll-free numbers when overseas, visit navyfederal.org.
Use 1-703-255-8837 for collect international calls. Check your nRewards point balance and redemption history through the Navy Federal app, available on iPhone®, iPad®, Android™, and Kindle Fire. The Navy Federal nRewards Service Center is open from 9:00 am to 9:00 pm, EST, Monday through Sunday, and is closed on the following observed holidays: New Year’s Day, Martin Luther King Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving, Christmas, and such other days as shall be determined from time to time by Navy Federal.

8. Points may be redeemed for merchandise, gift cards, and cash back.

9. In order to redeem points, your nRewards card must be open and current. Points cannot be earned or redeemed on delinquent accounts until the account status is in good standing. Navy Federal reserves the right to determine whether your card meets these qualifications. Points on accounts closed by Navy Federal are forfeited and no longer eligible for redemption. If you choose to close your account, points must be redeemed at time of closure, or else rewards earned by that account will be forfeited. To request redemption and closure, please call 1-800-381-9042.

10. Only the primary Cardholder or the joint Cardholder (if any) of an nRewards account may request to redeem reward points. Cardholders who have more than one Navy Federal nRewards account may not combine reward points. A Cardholder must pass verification by Navy Federal (or any agent acting on behalf of Navy Federal) in order to redeem reward points. Navy Federal reserves the right to determine, in its absolute discretion, whether a Cardholder has been satisfactorily identified.

11. Reward points are the property of Navy Federal. Reward points have no cash value and cannot be purchased, sold, transferred, bartered, or assigned in any way (including upon death, divorce, or a bankruptcy filing). A Cardholder is not entitled to compensation from Navy Federal or any other entity if reward points are forfeited or an nRewards account is terminated for any reason.

12. Navy Federal reserves the right to prohibit any Cardholder from participating in the Program. Navy Federal, in its sole discretion, reserves the right to suspend or cancel participation in the Program and declare all rewards forfeited in the event a Cardholder is suspected of, or has committed, fraud or a violation of the Program Description or Navy Federal Credit Card Agreement. Unauthorized transactions will not earn rewards.

13. Determination of tax liability (if any) is the sole responsibility of the Cardholder.

14. Administrative point management, redemption, and reward fulfillment services are provided by TSYS Loyalty. TSYS Loyalty assumes all liability and responsibility for the provision of services. TSYS Loyalty operates as an independent contractor and is not affiliated with Navy Federal. Neither Navy Federal nor TSYS Loyalty shall be liable
for any bodily harm, property damage, and/or loss that may result from participation in the Program or a service provider’s lack of provision or failure to provide services, for any reason.

15. Navy Federal reserves the right to amend, modify, or change this Program Description and the reward offerings at any time and without prior notice. For example and without limitation, Navy Federal may amend or omit some or all of the Program membership levels, change the number of reward points awarded for eligible card transactions or the number of points required to redeem rewards, or discontinue offering particular rewards. Navy Federal Credit Union also reserves the right to terminate the Program at any time without prior notice. If we do make any changes to this Program Description guide, we will post an updated copy at https://www.navyfederal.org/pdf/creditcards/nrewards_brochure.pdf.

16. The reward requested by the Cardholder may be subject to specific conditions, restrictions, limitations, and/or terms. The following paragraphs identify the general conditions, restrictions, limitations, and/or terms applicable to specific rewards and are not intended to be considered an exhaustive recitation of all such conditions, restrictions, limitations, and/or terms that may govern the use of specific reward items. Reward item conditions, restrictions, limitations, and/or terms may change from time to time and may not be specifically reflected in this document or other Program communications. Cardholders will be subject to all conditions, restrictions, limitations, and/or applicable terms or governmental actions relating to the specific reward at the time of redemption. Conditions, restrictions, limitations, and/or terms placed in Program communications and listed on or attached to the reward item are binding on the Cardholder.

17. All rewards are subject to availability, and specific rewards may only be available for certain dates.

18. Upon the death of a Cardholder, a surviving joint Cardholder, if any, becomes the sole credit card account owner and all previously earned rewards are available for redemption to the surviving joint Cardholder. If there are no surviving joint Cardholders, but the deceased is survived by an authorized user on the credit card account, the authorized user is not eligible to redeem previously earned rewards. The authorized user may, however, redeem the rewards if he or she applies and is approved to assume the credit card account balance. To be approved to assume the credit card account balance, the authorized user must submit an application for a credit card account and be approved for a credit line equal to or greater than the amount of the remaining account balance. If approved, the authorized user will be liable for the remaining account balance. Authorized users seeking to assume an account balance should carefully consider whether the value of the earned rewards outweighs the liability of the remaining account balance. If there are no surviving joint Cardholders or authorized users, earned rewards are forfeited. The deceased’s estate, regardless
of how it is established, is not eligible to redeem or receive rewards earned on the credit card account.

**Cash Back Rewards and Pay with Points Rewards**

19. Rewards points may be redeemed for cash back at a per point basis (e.g., 10,000 points for $100), credited to your savings account.

Rewards points may also be redeemed through Pay with Points for transactions that have already posted to your account in the past 90 days. Pay with Points is valid for up to three transactions totaling a minimum of $50. Transaction redemptions are at a per-point basis (e.g., $50.00 Amazon.com gift card for 5,000 points) and will be credited to your statement.

No partial redemptions can be made. Cash redemptions may be requested by logging on to Navy Federal Online Banking and using the available link for redemptions. You may also call 1-800-381-9042 and follow the automated prompts to access your Rewards account options. Pay with Points redemptions may be made on the NFCU rewards site. The primary Cardholder’s savings account or statement credit will be credited for the amount within 3-5 business days.

**Merchandise Rewards**

20. Merchandise rewards are offered and provided by independent manufacturers. Merchandise rewards include applicable sales tax and shipping and handling (via First-Class Mail or ground delivery or motor freight service within the continental U.S.). Merchandise will not be delivered to PO, APO, FPO, or DPO boxes or foreign addresses. Merchandise will be shipped to the Cardholder’s statement mailing address unless otherwise authorized by Navy Federal. For security reasons, parcel or motor freight couriers may contact the Cardholder to arrange delivery of merchandise. It is the responsibility of the Cardholder to respond to the courier in a timely and reasonable manner to facilitate the delivery process. Additional shipping and handling fees for merchandise returned to vendor due to the Cardholder’s failure to make delivery arrangements would be the responsibility of the Cardholder. Please allow six weeks for delivery from time of order. The Cardholder will be notified of any delays by postcard, letter, or phone call. All merchandise reward orders are subject to product availability, and Navy Federal reserves the right
to substitute merchandise of equal or greater value. The Cardholder will be notified if the merchandise reward ordered is not available and when it will become available. Navy Federal reserves the right to alter or substitute any or all merchandise rewards at any time without prior notification. Returns are only accepted for merchandise that is damaged, defective, or incorrectly shipped. Notification of same must be made within 48 hours of delivery and must be returned within 30 days for credit or shipment of replacement item. If the item is damaged or defective, please contact Navy Federal to report the problem and obtain assistance. The manufacturer’s warranty applies to all merchandise rewards. Navy Federal and TSYS Loyalty make no express or implied representation or warranty and will not be liable for injury, damage, loss, or expense resulting from your acceptance of use of the reward or from a reward’s defect or failure. Navy Federal and TSYS Loyalty disclaim any implied warranty of merchantability or fitness for a particular purpose.

**Gift Cards and Certificates**

21. Gift Cards and Certificates (Gift Certificates) may be used to purchase goods or services at participating retailers and, where applicable, for internet purchases. Gift Certificates are non-transferable unless otherwise noted on the certificate. Gift Certificates may not be combined with any other promotional offers from Navy Federal. In the event goods or services received are less than the face value of the Gift Certificate redeemed, the policy of the Gift Certificate provider will determine whether credit or Gift Certificate value for the difference will be given. Gift Certificates are valid at participating reward suppliers only through the expiration date printed on the certificate. Use of any Gift Certificate may be subject to additional restrictions as listed on the certificate. Gift Certificates are not replaceable if lost, stolen, destroyed, or expired, and are not returnable, exchangeable, refundable, or redeemable for cash or credit under any circumstances. Gift Certificates must be surrendered at redemption and are void if altered, and no photocopies of Gift Certificates will be honored. Gift Certificates have no value except when used in accordance with the Terms and Conditions of the Program and participating suppliers.

Gift Certificates will be processed next business day and will be delivered by U.S. Postal Service, First-Class Mail, postage prepaid within 3 weeks of the redemption. Next day or 3- to 5-day express delivery via Federal Express and Saturday delivery are available for an additional charge. All additional shipping charges for express shipping will be the sole responsibility of the Cardholder and will be charged to the Cardholder’s card at time of redemption. Physical gift cards cannot be requested if the address is a PO, FPO, DPO, or APO box or foreign address. Virtual gift cards cannot be requested if the address is a foreign address.
