Navy Federal Named to List of Top 100 “Best Companies to Work For” in Florida

VIENNA, Va. (PRWeb) August 2, 2010 – Acknowledged for its job satisfaction, work environment, training and benefits, [Navy Federal Credit Union](#) was selected as one of Florida’s “Best Companies to Work For” by *Florida Trend* business magazine. This is the second consecutive year Navy Federal is listed in the magazine’s annual survey, ranking among the top 15 each year.

“We are tremendously proud of this award,” said Cutler Dawson, president and CEO of Navy Federal. “Moving from 14th to 11th shows Navy Federal is known for its talented management team and dedicated work force of employees.”

With over 1,400 employees and a fourth office building to be completed in 2011, Navy Federal’s Brian L. McDonnell Center at Heritage Oaks in Pensacola, Fla. continues to grow, as one of the largest employers in Northwest Florida. Navy Federal makes everyday banking more convenient and practical with 17 branch offices throughout Florida, including its newest branch in Pace, serving members in Santa Rosa County.

One-hundred companies were recognized in small, medium and large company categories. [Florida Trend](#) partnered with the Best Companies Group, to determine which companies established themselves as great places to work and underwent a two-part survey process.

Debbie Calder, senior vice president, Greater Pensacola Operations said, “Our employees mention intangibles, such as respect, trust and fairness when talking about our work environment, and we know that is key to our success. We appreciate the recognition for the second year in a row.”

The magazine’s full list of companies will be published in the August issue. Navy Federal has ranked among *FORTUNE*® magazine’s 100 Best Companies to Work For in 2008 and *Training* magazine’s Training Top 125 Company for 2009 and 2010.
