The companies that chose to participate in the *Best Companies To Work For* in Florida process underwent a rigorous two-part survey process. The first part consisted of evaluating each company's workplace policies, practices, philosophy, systems and demographics. The second part consisted of an employee survey to measure employee satisfaction. The combined scores determined the top companies and the final ranking.

Debbie Calder, Senior Vice President, Greater Pensacola Operations said, “Our employees mention intangibles, such as respect, trust and fairness when talking about our work environment, and we know that is key to our success.
