### **Navy Federal Credit Union Makes Generous Contribution to Army Homefront Fund**

**SAN ANTONIO, Texas** – In support of our nation’s wounded Soldiers, the Navy Federal Credit Union has contributed \$5,000 to the Army Homefront Fund. Administered by Operation Homefront, the Army Homefront Fund provides emergency financial and other support to wounded Soldiers and their families. This contribution will aid wounded Soldiers as they recover and/or transition out of the Army.

The Army Homefront Fund was established in March 2011 by a Memorandum of Understanding between Operation Homefront and the U.S. Army Warrior Transition Command. Assistance, in the form of grants, goes to help with the most basic of needs – rent, utilities, food, etc.

“The Army Homefront Fund focus aligns with our mission to serve a Department of Defense field of membership and meet the financial needs of our members,” said Cutler Dawson, President & CEO of Navy Federal Credit Union. “We are pleased to support the U.S. military and their families.”

“Navy Federal Credit Union has long helped service members and families of all military branches with their financial needs,” said Jim Knotts, President & CEO of Operation Homefront. “This generous contribution to the Army Homefront Fund is yet another tangible example of NFCU’s dedication to those who stand in the defense of our country abroad, and on the homefront.”
