Navy Federal Makes Top 100 Best Companies List Four Years In a Row

VIENNA, Va. (August 18, 2012) – For the fourth consecutive year, *Florida Trend* magazine has selected [Navy Federal Credit Union](#) as one of Florida’s *Best Companies To Work For 2012*. Navy Federal ranks 13th this year.

“We are honored to be selected four years in a row as one of Florida’s *Best Companies to Work For*,” remarked Debbie Calder, senior vice president, Greater Pensacola Operations. “This award further validates our focus on employee satisfaction which we realize is key to our success in creating a dedicated workforce who provide exceptional service to our members.

With over 2,200 employees throughout Florida, 20 branches, and the expansion of the Brian L. McDonnell Center at Heritage Oaks in Pensacola, Fla., Navy Federal continues to look for new ways to improve its workforce and keep its employees engaged.

Florida Trend magazine recognized one hundred companies in small, medium, and large company categories. All of the organizations considered for the Florida’s *Best Companies to Work For 2012* distinction had to employ at least 15 workers in Florida and have been in operation at least one year. They also went through a quite rigorous two-part survey process. The first part consisted of evaluating each company’s workplace policies, philosophy, systems, and demographics. The second portion included an employee survey to measure employee satisfaction. The combined scores determined the top companies and the final ranking. Best Companies Group managed the registration, survey, analysis, and determined the final rankings.

Florida Trend and Best Companies Group created the Florida’s *Best Companies To Work For* program, which is endorsed by the HR Florida State Council. For a list of Florida’s *Best Companies To Work For 2012*, go to www.floridatrend.com/best-companies.
