FOR IMMEDIATE RELEASE

Navy Federal Named One of San Diego's 2012 Best Places to Work

Vienna, Va. (August 22, 2012) – [Navy Federal Credit Union](#) was recently named one of *San Diego Business Journal's 2012 Best Places to Work in San Diego*. Companies selected for the list are featured in the August 2012 issue of the *San Diego Business Journal*.

“We consider it an honor to be recognized as one of San Diego's **Best Places to Work**,” commented June Sanchez, regional manager, Branch Operations. “This is a true testament to the level of dedication our team members demonstrate every day upholding our guiding principles and service to our members.”

Eighty-five companies ranked by small, medium, and large company categories across San Diego County make up the list, and were announced at the inaugural ceremony held on August 16th at the Hilton La Jolla Torrey Pines. Navy Federal ranked twenty-two in the large company category. The *San Diego Business Journal* honored them at an awards event created to recognize the employee-centric San Diego-area businesses that empower, excite and challenge their staff.

All of the organizations considered for the **2012 Best Places to Work in San Diego** distinction employ at least 15 workers in San Diego and have been in operation at least one year. They also went through a rigorous two-part survey process. The first part included evaluating each company's workplace policies, philosophy and demographics. The second portion included an employee survey to measure employee satisfaction. The combined scores determined the top companies and the final ranking. A complete list of the **Best Places to Work** was published in a special supplement to the August 20 issue of the *San Diego Business Journal*.
