Vienna, Va. (August 12, 2013) –*Florida Trend* magazine selected [Navy Federal Credit Union](#) as one of the **Best Companies to Work For in Florida** for the fifth consecutive year. The magazine ranked Navy Federal #22 in the larger employer category. The *Best Companies to Work For* award recognizes Florida-area companies that offer innovative perks, benefits, and incentives, while empowering its staff to achieve excellence.

“We make it a priority to ensure that our employees have the tools to succeed at their job,” said Debbie Calder, senior vice president, Greater Pensacola Operations. “They are the reason why our members choose Navy Federal as their primary financial institution. This award further validates our strong commitment to service excellence and teamwork.”

Florida Trend magazine and Best Companies Group created Florida’s *Best Companies to Work For* program, which is endorsed by the HR Florida State Council. To participate, companies had to employ at least 15 workers in Florida and have been in operation at least one year. Each organization went through an evaluation and employee satisfaction survey. The combined scores determined the top companies and the final rankings. *Florida Trend* magazine recognized 100 companies in small, medium, and large employer categories.
