Navy Federal Opens First New, On-base LEED Silver Building With Ribbon Cutting of Relocated Miramar Branch

Major General, Military Dignitaries and 3rd Marine Aircraft Wing Band in Attendance

VIENNA, Va. (April 1, 2013) – [Navy Federal Credit Union](http://www.navyfederal.org) held a ribbon cutting celebration today to inaugurate the opening of its first new, on-base LEED Silver certified branch building at Marine Corps Air Station (MCAS) Miramar. This building will serve as the new location for the Navy Federal Miramar branch, replacing the previous on-base branch site. Major General Steven W. Busby and other dignitaries affiliated with MCAS Miramar attended the event, and players from the 3rd Marine Aircraft Wing Party Band performed for guests in honor of the occasion.

The 3,500 square-foot LEED Silver certified branch building offers new features like two drive-through teller lanes, one drive-up image ATM, one walk-up image ATM and a coin depot. Situated in the heart of MCAS Miramar, the new centrally located branch provides greater access and convenience for base personnel.

“This new branch site demonstrates our commitment to continuously improving service to our members and those in the armed forces who sacrifice so much for us every day. It also highlights our dedication to making a positive impact on the communities where we serve,” said Chevonne Colon, vice president of branch operations. “Our LEED Silver certified building will be a great addition to the Miramar area.”

To mark the occasion, the branch is giving away up to 50 gift cards, valued at \$100 each, for military personnel who sign up anytime today for both Navy Federal Active Duty Checking and direct deposit.

The new branch is located at MCAS Miramar, 2727 Elrod Ave., San Diego, CA 92145. Lobby hours are Monday through Friday, 9 a.m.-5 p.m., and Saturday 9 a.m.-2 p.m.
