FOR IMMEDIATE RELEASE

Navy Federal Credit Union Opens Comprehensive Onsite Wellness Centers

VIENNA, Va. (April 28, 2014) –[Navy Federal Credit Union](http://www.navyfederal.org) recently celebrated the opening of onsite wellness centers that offer comprehensive medical services to employees at their three campuses in Winchester and Vienna, Va. and Pensacola, Fl. The clinics, managed by Take Care Health Systems, a Walgreens subsidiary, provide employees and contractors with a wide range of health and advisory services, many of them at no cost to the individual.

Clinic offerings include episodic and preventive care, diagnosis and treatment for common medical conditions, lab work, and services like wellness coaching, as well as convenient prescription delivery. Staffed by Take Care Nurse Practitioners, Registered Nurses, and Licensed Practical Nurses, the new Navy Federal Wellness Centers are open full-time during the credit union's normal business hours in each location.

“Our goal is to foster a culture that encourages our employees’ health and well-being in all aspects of their life,” said Tisa Head, senior vice president, Human Resources. “Our employees are our most valuable asset, and we want to make sure they are well taken care of.”

When asked about the partnership with Navy Federal, Trent Riley, divisional vice president of Employer Solutions Group with Take Care Health Systems, said “We’re proud to work with Navy Federal to help their employees get, stay, and live well through comprehensive onsite health and wellness programs and services.”

About Navy Federal Credit Union: Navy Federal Credit Union is the world’s largest credit union with over \$57 billion in assets, more than 4.5 million members, 247 branches, and a workforce of more than 11,000 employees worldwide. The credit union serves all Department of Defense and Coast Guard Active Duty, civilian, and contractor personnel and their families.
