Navy Federal Raises its Credit Card Game Three New Levels

Credit Union places no cap limits on new tiered rewards card—unprecedented in industry.

VIENNA, VA. (November 10, 2015) – [Navy Federal Credit Union](#) this month released an upgraded rewards program for its **GO REWARDS**[®] credit card. The credit card now offers a 3-tiered rewards value for specific transactions. In addition, Navy Federal has no limit on earned rewards across all categories for its newly enhanced **GO REWARDS** card – unprecedented in the industry.

“We spend a lot of time asking our members what’s important to them, particularly about what they value when spending their money,” said Randy Hopper, vice president of credit cards at Navy Federal. “We’ve seen increased activity in the restaurant and travel categories, so it was an easy choice to award three times the points at restaurants and two times the points on gas with no points cap.”

With the new **GO REWARDS** card, members will:

1. Accrue points faster with no rewards limit – [earn 3x points at restaurants and 2x points on gas](#)
2. Easily estimate annual rewards – see how fast your points can add up with our [advanced points calculator](#)
3. Enjoy more perks – [Visa Signature](#)[®] is now available to **GO REWARDS** cardholders
4. Choose your network – Visa[®] and MasterCard[®] available
5. [Pay no annual fees, balance transfer fees or foreign transaction fees](#)

Navy Federal is currently upgrading its **GO REWARDS** cardholders to the new tiered program. Members can learn more about the new program by visiting the [website](#) or calling the credit union’s 24/7 contact center at: 1-888-842-6328.
