# Navy Federal Named a Best Place to Work in IT for Fifth Year

**VIENNA, Va. (June 18, 2019) –** Navy Federal Credit Union was named a Computerworld 2019 Best Places to Work in IT for a fifth consecutive year, ranking eighth among 49 large organizations. This is Navy Federal's highest-ever ranking, and the organization continues to be the only credit union on the list.

Navy Federal's Information Technology professionals provide support for the credit union's 18,000 employees and over 8 million members. The credit union is known for its workplace culture that's filled with opportunities to learn and encourages collaboration and innovative thinking.

"Navy Federal's focus is always on our members," said Tony Gallardy, chief information officer. "That focus is the main reason we've created a thriving culture that empowers our team members to explore and develop digital solutions to provide members with the best experience possible."

Computerworld compiles its Best Places to Work in IT list based on a comprehensive questionnaire regarding company offerings in categories such as benefits, career development, training and retention. Additionally, IT professionals are surveyed and their responses are factored heavily in determining the rankings.

In 2019, Navy Federal is placing an emphasis on growing its team in the information services department, with commitment to fill 120 positions before the end of the year. Many career opportunities are available at various campus locations, including Pensacola, FL., and its headquarters in Vienna, VA. For information on jobs at Navy Federal, visit the careers page.

Year after year, Navy Federal is recognized for its dedication to creating a satisfying work environment and an exceptional member experience. Earlier this year, Navy Federal celebrated its 9th year on the FORTUNE 100 Best Companies to Work For® List, ranking 29th, the highest in its history. Other notable accolades include being the Industry Leader for Banks/Credit Unions (multichannel) in Customer Experience in Forrester's 2019 CX Index™ and No. 7 in Best Workplaces™ in Financial Services & Insurance 2019.

**About Navy Federal Credit Union:** Established in 1933 with only seven members, Navy Federal now has the distinct honor of serving over 8 million members globally and is the world's largest credit union. As a member-owned and not-for-profit organization, Navy Federal always puts the financial needs of its members first. Membership is open to all Department of Defense and Coast Guard Active Duty, veterans, civilian and contractor personnel, and their families. Dedicated to its mission of service, Navy Federal employs a workforce of over 18,000 and has a global network of 335 branches.
